GUIDANCE NOTES FOR VISITORS TO SOUTH CAMBRIDGESHIRE HALL

Whilst the District Council endeavours to ensure that you come to no harm when visiting South Cambridgeshire Hall you also have a responsibility to ensure that you do not risk your own or others' safety.

Security

Visitors should report to the main reception desk where they will be asked to sign a register. Visitors will be given a visitor's pass that must be worn at all times whilst in the building. Please remember to sign out and return your pass before you leave. The visitors' book is used as a register in cases of emergency and building evacuation.

Emergency and Evacuation

In the event of a fire you will hear a continuous alarm. Evacuate the building using the nearest escape route; from the Council Chamber or Mezzanine viewing gallery this would be via the staircase just outside the door. Go to the assembly point at the far side of the staff car park.

Do not use the lifts to exit the building. If you are unable to negotiate stairs by yourself, the emergency staircase landings are provided with fire refuge areas, which afford protection for a minimum of 1.5 hours. Press the alarm button and wait for assistance from the Council fire wardens or the fire brigade.

Do not re-enter the building until the officer in charge or the fire brigade confirms that it is safe to do so.

First Aid

If someone feels unwell or needs first aid, please alert a member of staff.

Access for People with Disabilities

All meeting rooms are accessible to wheelchair users. There are disabled toilet facilities on each floor of the building. Hearing loops and earphones are available from reception and can be used in all meeting rooms.

Toilets

Public toilets are available on each floor of the building next to the lift.

Recording of Business

Unless specifically authorised by resolution, no audio and / or visual or photographic recording in any format is allowed at any meeting of the Council, the executive (Cabinet), or any committee or sub-committee of the Council or the executive.

Banners / Placards / Etc.

No member of the public shall be allowed to bring into or display at any Council meeting any banner, placard, poster or other similar item. The Chairman may require any such item to be removed.

Disturbance by Public

If a member of the public interrupts proceedings, the Chairman will warn the person concerned. If they continue to interrupt, the Chairman will order their removal from the meeting room. If there is a general disturbance in any part of the meeting room open to the public, the Chairman may call for that part to be cleared.

Smoking

The Council operates a NO SMOKING policy.

Food and Drink

Vending machines and a water dispenser are available on the ground floor near the lifts. There shall be no food and drink in the Council Chamber.

Mobile Phones

Please ensure that your phone is set on silent / vibrate mode during meetings.

ADVICE TO MEMBERS OF THE PUBLIC ATTENDING AND SPEAKING AT THE PLANNING COMMITTEE MEETING

Is this meeting open to the public?

Yes. The vast majority of agenda items will be considered in public. In extremely rare situations, the law does allow Councils to consider a limited range of issues in private session without members of the Press and public being present. An example would be a planning enforcement issue in which sensitive personal matters are discussed, or options which, if publicised, could prejudice the Council's position. In every case, the public interest in excluding the Press and Public from the meeting room must outweigh the public interest in having the information disclosed to them.

When and where is the meeting?

Details of the location, date and time of this meeting, and members of the Committee are shown at the top of the front page of the paper agenda. Details of the contact officer can be found at the bottom of that page. Further information, including dates of future meetings, is available on the [Council's website](#).

Can I speak? Who else can speak?

Yes (but only if you have already written to the Council in response to formal consultation). If you wish to speak, you must register with Democratic Services by 12 o'clock noon on the Monday immediately before the meeting. Ring the number shown at the bottom of the front page of the agenda. Speaking to a Planning Officer will **not** register you to speak; you must register with Democratic Services. There are four categories of speaker: One objector (maybe on behalf of a group), the Applicant (or their agent or a supporter), the local Parish Council and the local Councillor (s) if not members of the Committee. Occasionally, the Chairman may allow other speakers – for details, see the [Public Speaking protocol](#) on the Council's website

What can I say?

You can have your say about the application or other matter but you must bear in mind that you are limited to three minutes. You should restrict yourself to material planning considerations: Councillors will **not** be able to take into account issues such as boundary and area disputes, the perceived morals or motives of a developer, the effect on the value of property (including yours), loss of a private view over adjoining land (unless there a parallel loss of an important view from public land), matters not covered by planning, highway or environmental health law, issues such as access, dropped kerbs, rights of way and personal circumstances, suspected future development, or processing of the application. Further details are available in the Council's [Protocol for speaking at Planning Committee](#) meetings. After you have spoken, Committee members may ask you to clarify matters relating to your presentation. If you are not present by the time your item is considered, the Committee will determine the application in your absence – it is not possible for officers to predict the timing of agenda items.

Can I give the Councillors written information or photographs relating to my application or objection?

Yes you can, but **not** at the meeting itself. If you want to send further information to Councillors, you should give them as much time as possible to read or view it. Their [contact details](#) can be obtained through Democratic Services or via the Council's website. You must send the same information to every member of the Committee and to your local Councillors. You can e-mail the Committee at [planningcommittee\(at\)scambs.gov.uk](mailto:planningcommittee(at)scambs.gov.uk) (replace (at) with @). Any information sent to Councillors should be copied to the Planning Officer dealing with your application.

How are the applications considered?

The appropriate planning officer will introduce the item. Councillors will then hear any speakers' presentations. The order of speaking will be (1) Objector, (2) Applicant / agent / supporter (3) Parish Council (4) local Councillor(s). The Committee will then debate the application and vote on either the recommendations of officers in the agenda or a proposal made and seconded by members of the Committee. Should the Committee propose to follow a course of action different to officer recommendation, Councillors are required to give sound planning reasons for doing so.

EXCLUSION OF PRESS AND PUBLIC

The law allows Councils to consider a limited range of issues in private session without members of the Press and public being present. Typically, such issues relate to personal details, financial and business affairs, legal privilege and so on. In every case, the public interest in excluding the Press and Public from the meeting room must outweigh the public interest in having the information disclosed to them. The following statement will be proposed, seconded and voted upon.

"I propose that the Press and public be excluded from the meeting during the consideration of the following item number(s) in accordance with Section 100(A) (4) of the Local Government Act 1972 on the grounds that, if

present, there would be disclosure to them of exempt information as defined in paragraph(s) of Part 1 of Schedule 12A of the Act.”

If exempt (confidential) information has been provided as part of the agenda, the Press and public will not be able to view it. There will be an explanation on the website however as to why the information is exempt.

Notes

- (1) Some development control matters in this Agenda where the periods of consultation and representation may not have quite expired are reported to Committee to save time in the decision making process. Decisions on these applications will only be made at the end of the consultation periods after taking into account all material representations made within the full consultation period. The final decisions may be delegated to the Corporate Manager (Planning and Sustainable Communities).
- (2) The Council considers every planning application on its merits and in the context of national, regional and local planning policy. As part of the Council's customer service standards, Councillors and officers aim to put customers first, deliver outstanding service and provide easy access to services and information. At all times, we will treat customers with respect and will be polite, patient and honest. The Council is also committed to treat everyone fairly and justly, and to promote equality. This applies to all residents and customers, planning applicants and those people against whom the Council is taking, or proposing to take, planning enforcement action. More details can be found on the Council's website under 'Council and Democracy'.
