EXCLUSION OF PRESS AND PUBLIC

The law allows Councils to consider a limited range of issues in private session without members of the Press and public being present. Typically, such issues relate to personal details, financial and business affairs, legal privilege and so on. In every case, the public interest in excluding the Press and Public from the meeting room must outweigh the public interest in having the information disclosed to them. The following statement will be proposed, seconded and voted upon.

"I propose that the Press and public be excluded from the meeting during the consideration of the following item number(s) in accordance with Section 100(A) (4) of the Local Government Act 1972 on the grounds that, if present, there would be disclosure to them of exempt information as defined in paragraph(s) of Part 1 of Schedule 12A of the Act (as amended)."

If exempt (confidential) information has been provided as part of the agenda, the Press and public will not be able to view it. There will be an explanation on the website however as to why the information is exempt.

8. TO CONSIDER THE FOLLOWING RECOMMENDATIONS:**9 (a) Appointment of Local Returning Officer for Combined Authority Mayoral Election**

The Chairman proposed the recommendation by explaining that the Council needed to appoint a Returning Officer responsible for organising and delivering the Cambridgeshire and Peterborough Combined Authority Mayoral elections in South Cambridgeshire. Councillor Nick Wright seconded the recommendation.

Councillor Sebastian Kindersley stated that whilst he had no objection to the appointment, he opposed the election of a Mayor for the combined authority, which he considered an unnecessary waste of public money.

A vote was taken and were cast as follows:

In favour (35)

Councillors David Bard, Val Barrett, Henry Batchelor, Brian Burling, Tom Bygott, Nigel Cathcart, Doug Cattermole, Grenville Chamberlain, Graham Cone, Christopher Cross, Kevin Cuffley, Simon Edwards, Sue Ellington, Andrew Fraser, Roger Hall, Lynda Harford, Mark Howell, Peter Johnson, Ray Manning, Raymond Matthews, David McCraith, Charles Nightingale, Des O'Brien, Tony Orgee, Ben Shelton, Hazel Smith, Peter Topping, Ingrid Tregoing, Richard Turner, Robert Turner, Bunty Waters, Aidan Van de Weyer, David Whiteman-Downes, Tim Wotherspoon and Nick Wright.

Against (8)

Councillors John Batchelor, Tumi Hawkins, Sebastian Kindersley, Cicely Murfitt, Deborah Roberts, Bridget Smith, Edd Stonham and John Williams.

Abstain (1)

Councillor Anna Bradnam.

Therefore Council

AGREED That the Interim Chief Executive be appointed Returning Officer for the South Cambridgeshire area for the Cambridgeshire and Peterborough Combined Authority elections to be held in May 2017.

9 (b) South Cambridgeshire Local Plan: Policy SS/5 - Waterbeach New Town: Boundary of the Major Development Site

Councillor Robert Turner proposed this recommendation for a modification to the boundary of the Major Development Site for the new town at Waterbeach, following consultation with Historic England. Councillor Peter Johnson seconded this recommendation as a local member.

Councillor Ingrid Tregoin expressed concern regarding the proximity of the new town boundary to Fox Cottages. Councillor Robert Turner assured Councillor Tregoin that issues such as green separation were still to be determined.

Council unanimously

AGREED that a proposed modification to the Major Development Site boundary of Waterbeach new town (Policy SS/5) as shown on Inset Map H of the submitted Policies Map be put forward to the examination, as shown on the map attached to the report.

9 (c) Corporate Plan Priorities 2017-2022 (Cabinet, 9 February 2017)

Councillor Nick Wright proposed this recommendation, by stating that both the Scrutiny and Overview Committee and Cabinet had discussed and agreed the proposed Corporate Plan, which set out the Council's vision, objectives and actions for 2017-22. Councillor Peter Topping seconded the recommendation.

Local Plan and the building of homes

It was understood that speculative planning applications were receiving permission due to the fact that the Local Plan had not yet been agreed. It was suggested that this made it difficult for the Council to achieve the objectives in the Corporate Plan. It was further suggested that developers were not progressing with the construction of thousands of homes that had received planning permission. Concern was expressed at how the character of certain villages could be changed as a consequence of development. In response, Councillor Lynda Harford explained that the Inspector had rejected the Council and City Council's Joint Local Plan in February 2014 and unfortunately getting the Plan re-inspected was a slow process. She expressed the hope that the Government's Housing White Paper would compel developers to build homes once planning permission had been granted.

Measuring performance

In response to concerns regarding how performance would be measured Councillor Topping stated that there was a row in the Corporate Plan table entitled "How we will measure this" and Councillor Wright added that quarterly reports would be taken to Cabinet to ensure that the Council was meeting its aspirations detailed in the Corporate Plan.

Councillor Aidan Van de Weyer suggested that the Corporate Plan should include targets on sustainable development and tackling climate change.

A vote was taken and were cast as follows:

In favour (29)

Councillors David Bard, Val Barrett, Brian Burling, Tom Bygott, Grenville Chamberlain, Graham Cone, Christopher Cross, Kevin Cuffley, Simon Edwards, Sue Ellington, Andrew Fraser, Roger Hall, Lynda Harford, Mark Howell, Ray Manning, Raymond Matthews, David McCraith, Charles Nightingale, Tony Orgee, Alex Riley, Tim Scott, Ben Shelton, Peter Topping, Richard Turner, Robert Turner, Bunty Waters, David Whiteman-Downes, Tim Wotherspoon and Nick Wright.

Against (13)

Councillors Henry Batchelor, John Batchelor, Doug Cattermole, Neil Davies, Tumi Hawkins, Sebastian Kindersley, Des O'Brien, Deborah Roberts, Bridget Smith, Hazel Smith, Edd Stonham, Aidan Van de Weyer and John Williams.

Abstain (5)

Councillors Anna Bradnam, Nigel Cathcart, Peter Johnson, Cicely Murfitt and Ingrid Tregoin.

Therefore Council

AGREED the Corporate Plan setting out the Council's vision, objectives and actions for 2017-2022.

9 (d) Medium Term Financial Strategy (General Fund Budget 2017/18 including Council Tax setting), Housing Revenue Account (including Housing rents), Capital Programme and Treasury Management Strategy (Cabinet, 9 February 2017)

Councillor Simon Edwards proposed the recommendation, which asked Council to approve the financial strategies and budgets, as detailed in the reports and appendices. Councillor Peter Topping seconded the recommendation.

Minor amendment

Councillor Edwards explained that the proposed inflationary increases of garage rents for 2017/18 was 1.9% and not 2.4% as stated in the report.

Spending of reserves

Councillor Edwards explained that it was not sustainable for the Council to continue spending its reserves to meet its spending commitments and this was why it was proposed that £0 would be spent from reserves in 2017/18.

Leader's Portfolio

Councillor Edwards explained that the reduction in the budget for the Leader's Portfolio was due to recharges. Concern was expressed regarding the lack of Leader's Portfolio Holder meetings during 2016/17.

Council Tax

The proposed increase in Council Tax was supported with no councillors speaking against it. Members of the opposition group contrasted this with the Cambridgeshire County Council's Conservative Group's decision to argue for a Council Tax freeze for their authority.

Scrutiny

Councillor Tony Orgee reported that the Scrutiny and Overview Committee had supported the proposed Council Tax increase and had understood that savings were generated through staff turnover, although no single service was responsible for this and so it had to be monitored over the Council throughout the year.

Renting of communal rooms

Councillor Ingrid Tregoing expressed concern about the possible impact on community groups of charging for the use communal rooms. The rooms were free for residents to use. Councillor Harford assured Council that the impact of this charge was being carefully assessed.

Ermine Street Housing

In response to concerns whether the Council could be confident that Ermine Street Housing would continue to deliver the income as projected in the accounts, Councillor Edwards explained that Ermine Street Housing was projected to bring in an income of £600,000 and the position would be carefully monitored.

Council thanked all officers involved in the production of these accounts.

AGREED

- (a) to maintain the current level of byeway maintenance for the period 2017/18.
- (b) to levy a rate at £1.10 to fund the required maintenance for the period 2017/18.

10. QUESTIONS FROM COUNCILLORS TO THE LEADER

10 (a) From Councillor Philippa Hart for the Leader of Council (question deferred from the last Council meeting)

In the absence of Councillor Philippa Hart, Councillor Aidan Van de Weyer asked this question: "Please can the Leader tell us where he estimates we are on the timetable and

what ongoing preparations are underway to deliver a failure-free devolution.”

Councillor Peter Topping provided details on the progress being made on the setting-up of the Combined Authority and he explained that the Council was working with its partners to ensure that this was a success.

10 (b) Questions asked without notice

Question from Councillor Andrew Fraser

Councillor Andrew Fraser explained that in response to questioning from Councillor John Williams at the Cabinet meeting on 17 November 2016 it had been made clear that Ermine Street Housing was not being investigated by HMRC. However a leaflet from the Liberal Democrat political group had been delivered to several houses in Fulbourn stating that the tax affairs of Ermine Street housing were under investigation.

Councillor Fraser then asked “Can the Leader explain what the Council are doing to stop any future “Fake News” items being published by the Liberal Democrats?”

Councillor Simon Edwards responded on behalf of the Leader. He criticised the Liberal Democrat leaflet for calling into question the good name of Ermine Street Housing, which was an ethical landlord, set up by the Council with full support from the Liberal Democrats. He added that the leaflet was an insult to the three qualified accountants on the company’s Board and the officers who worked hard for the company. He also expressed concern regarding the impact the leaflet could have had on existing and prospective tenants. He understood that the Board had warned the Liberal Democrats that legal action would be taken if such allegations were repeated.

Question from Councillor Kevin Cuffley

Councillor Kevin Cuffley asked: could the Leader confirm whether or not the Council operated a fair and robust system for the processing of taxi licence applications.

Councillor Mark Howell, Environmental Services Portfolio Holder, answered this question on behalf of the Leader. He stated that the recent article in the press had been misleading and had unfairly singled out the Council which had responded openly to a Freedom of Information Act request when other authorities had not replied. He assured members that the Council operated a robust and unbiased system for processing taxi licence applications, where Hearing Appeal Panels considered the suitability of the applicant. It was noted that the Council had only lost one appeal in the Magistrates Court over the last two years.

Question from Councillor Aidan Van de Weyer

How many residents of South Cambridgeshire are non-UK EU citizens and what proportion of residents does this represent? Given the crucial role that EU citizens play in the economy and the society of our district, what representations has the Council made to Government and to our MPs concerning their status after we leave the EU? If none, would the Leader consider ensuring that Government and our MPs are fully aware of the terrible impact the current uncertainty is having on our residents’ personal lives and on economic decision-making?

Councillor Peter Topping recalled that according to the 2011 census 14% of the District’s workforce were from European Union countries. He confirmed that the District’s MPs were aware of the importance of the region’s economy to the UK. He expressed the hope that the current uncertainty would be resolved and that non-UK EU citizens would be permitted to remain in the District.

11. NOTICES OF MOTION

None.

12. CHAIRMAN'S ENGAGEMENTS

Council noted the Chairman and Vice-Chairman's engagements since the last Council meeting.

13. DATE OF NEXT MEETING

It was noted that the next scheduled meeting of Council would be held on Thursday 25 May at 2pm and not 22 May as stated in the agenda.

The Chairman explained that it was likely that an additional Council meeting would have to be scheduled before then in order to appoint the authority's new Chief Executive.

The Meeting ended at 3.55 p.m.
