The application

The application for a premises licence on behalf of The White Brasserie Company, 106-108, High Street, Teddington TW11 8JD was received by the licensing section in accordance with the Licensing Act 2003. The requirements for advertising and displaying relevant notices were carried out in accordance with the Licensing Act 2003.

Background

The premise is in a village location positioned on the High Street, in a mixed use residential and business area. This application is for a new premises licence, however there is an existing licence currently in force held by Punch Taverns.

It is the stated intention that if this application is successful then the existing licence will be surrendered.

As part of the application process, no representations have been received from responsible authorities, however valid representations have been received from residents in the area.

Relevant representations

Written representations were received from Margaret and David Blackman, Derek Marston, Ashley and Hilary Gordon, Paul Harvey, Joanna Sheldon and Oliver Morley.

Observations:

The Sub Committee noted the amended hours offered by the applicant to accommodate the concerns of the interested parties. It was further observed that the amendments were broadly welcomed by interested parties attending. It was further observed that the applicants were seeking to establish a gastro-pub with no regulated music and the emphasis of the business would be fine dining.

Taking all the above into account, the Sub-Committee decided to AGREE the application with conditions.

At the hearing, the following representations were made and amendments to the operation hours offered by the applicant:

All parties may apply for a review of the Licence on a ground relating to one or more of the licensing objectives should there be any relevant issues arising from the operation of the Licence at any stage after the date of this decision notice. The Sub-Committee hopes that local residents will feel able to bring any future concerns directly to the attention of the Applicant in an effort to reach an amicable solution. The four licensing objectives are: the Prevention of Crime and Disorder; Prevention of Public Nuisance; Public Safety; and Protection of Children from Harm.
