While we try to make sure that you stay safe when visiting South Cambridgeshire Hall, you also have a responsibility for your own safety, and that of others.

Security

When attending meetings in non-public areas of the Council offices you must report to Reception, sign in, and at all times wear the Visitor badge issued. Before leaving the building, please sign out and return the Visitor badge to Reception.

Public seating in meeting rooms is limited. For further details contact Democratic Services on 03450 450 500 or e-mail democratic.services@scambs.gov.uk

Emergency and Evacuation

In the event of a fire, a continuous alarm will sound. Leave the building using the nearest escape route; from the Council Chamber or Mezzanine viewing gallery this would be via the staircase just outside the door. Go to the assembly point at the far side of the staff car park opposite the staff entrance

- **Do not** use the lifts to leave the building. If you are unable to use stairs by yourself, the emergency staircase landings have fire refuge areas, which give protection for a minimum of 1.5 hours. Press the alarm button and wait for help from Council fire wardens or the fire brigade.
- **Do not** re-enter the building until the officer in charge or the fire brigade confirms that it is safe to do so.

First Aid

If you feel unwell or need first aid, please alert a member of staff.

Access for People with Disabilities

We are committed to improving, for all members of the community, access to our agendas and minutes. We try to take all circumstances into account but, if you have any specific needs, please let us know, and we will do what we can to help you. All meeting rooms are accessible to wheelchair users. There are disabled toilet facilities on each floor of the building. Infra-red hearing assistance systems are available in the Council Chamber and viewing gallery. To use these, you must sit in sight of the infra-red transmitter and wear a 'neck loop', which can be used with a hearing aid switched to the 'T' position. If your hearing aid does not have the 'T' position facility then earphones are also available and can be used independently. You can get both neck loops and earphones from Reception.

Toilets

Public toilets are available on each floor of the building next to the lifts.

Recording of Business and Use of Mobile Phones

We are open and transparent about how we make decisions. We allow recording, filming and photography at Council, Cabinet and other meetings, which members of the public can attend, so long as proceedings at the meeting are not disrupted. We also allow the use of social media during meetings to bring Council issues to the attention of a wider audience. To minimise disturbance to others attending the meeting, please switch your phone or other mobile device to silent / vibrate mode.

Banners, Placards and similar items

You are not allowed to bring into, or display at, any public meeting any banner, placard, poster or other similar item. Failure to do so, will result in the Chairman suspending the meeting until such items are removed.

Disturbance by Public

If a member of the public interrupts proceedings at a meeting, the Chairman will warn the person concerned. If they continue to interrupt, the Chairman will order their removal from the meeting room. If there is a general disturbance in any part of the meeting room open to the public, the Chairman may call for that part to be cleared. The meeting will be suspended until order has been restored.

Smoking

Since 1 July 2008, South Cambridgeshire District Council has operated a Smoke Free Policy. No one is allowed to smoke at any time within the Council offices, or in the car park or other grounds forming part of those offices.

Food and Drink

Vending machines and a water dispenser are available on the ground floor near the lifts at the front of the building. You are not allowed to bring food or drink into the meeting room.

Agenda Item 2

SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL

LICENSING ACT 2003 COMMITTEE

HEARING PROCEDURE

1. Introduction

- The Chairman of the sub-committee will welcome and introduce everyone present, giving explanations of roles where necessary, and outline the procedure to be followed.
- The hearing will take the form of a discussion to be led by the sub-committee.
- Members of the sub-committee will be able to ask questions of any party, or the Licensing Officer, at the hearing. They will try, so far as possible, to ask their questions at the conclusion of each party's submission.
- The sub-committee will consider any requests for permission to ask questions of other parties. It will decide if questions are required in order for it to consider the case properly. If permission is given to one party, it will usually be given to all other parties.
- The Chairman may ask any person behaving in a disruptive manner to leave and may refuse to permit that person(s) to return or may permit them to return with specified conditions. Such a person may, before the end of the hearing, submit to the authority in writing any information which they would have been entitled to give orally had they not been required to leave.
- Members of the sub-committee will be asked to make any Declaration of Interests.

2. Witnesses

The sub-committee will consider any requests from any of the parties to call witnesses.

3. New evidence/information

The sub-committee will consider any requests for permission to present new evidence or information not previously disclosed to all the parties and the sub-committee prior to the hearing. The general rule is that such information or evidence must not be considered unless all parties at the hearing agree to it being considered on the day of the hearing. A request may be made for a short adjournment to allow time for everyone to receive copies of the extra information and time to read it.

4. Allocation of time

Each party will be asked for a time estimate for the presentation of their case. The sub-committee will hear all estimates and then allocate each party an equal amount of time to speak.

5. Licensing Officer's report

The Council's Licensing Officer will outline details of the application and representations received by the council. No recommendation to members will be made.

6. Applicant's case

The applicant will present their case first. They have a right to:

- address the sub-committee on any points of clarification the council has sought;
- address the committee generally; and
- call any witnesses that they have been given permission to call. Witnesses may be cross-examined if permission is granted. If this happens, the time taken for questions will count towards the allocated time of the party asking the questions, not the party answering them.

Members of the sub-committee may ask questions of the applicant.

7. Police representations

The Police will make any representations about the application, with the same rights as listed at s.6.

Members of the sub-committee may ask questions of the police representative.

8. "Responsible authorities" representations

Other "responsible authorities" (Police/Fire/Environmental Health Officer/Social Services/Trading Standards/Planning Directorate) will then make representations, with the same rights as listed at s.6.

Members of the sub-committee may ask questions of those authorities represented.

9. Any other representations

Anybody else making representations will go last, with the same rights listed at s.6.

Members of the sub-committee may ask questions of any person who has made a representation.

10. Legal advice

Once all parties have presented their cases to the sub-committee, and the members of the sub-committee have no more questions for any of the parties, the Council's Legal Officer will be asked to outline any relevant legal guidance.

11. Decision-making

The sub-committee will then retire to another room to make its decision. The Council's Legal Officer and Clerk will accompany members to advise where necessary and take notes of the decision.

12. Notification of decision

Depending on the nature of the application, a determination of the case will either be made at the conclusion of the hearing, or within 5 working days. In most cases, all parties will be notified of the decision in writing.

2. Public Safety
3. The prevention of public nuisance
4. The protection of children from harm

Members have the right under the Licensing Act 2003 to determine this application after considering any relevant representations, Members may

- a. Accept the proposed application as submitted
- b. Reject the application
- c. Agree the application but impose conditions that promote the relevant licensing objectives

Legislation Guidance

Members should also be aware of the Secretary of states guidance under S182 of the Licensing Act 2003 which states:-

Public nuisance retains its broad common law meaning for the purpose of this Act. The prevention of public nuisance could therefore include low-level nuisance perhaps affecting a few people living locally as well as major disturbances affecting the whole community. It may also include in appropriate circumstances the reduction of there living and working amenity and environment of interested parties in the vicinity of the premises. Beyond the vicinity of the premises these are matters for personal responsibility of individuals under the law.

The Guidance goes on to state:-

It is essential that conditions are focused on measures within the direct control of the licence holder. Conditions relating to public nuisance caused by anti-social behaviour of customers once they are beyond the control of the licence holder cannot be justified and will not serve to promote the licensing objectives

Policy Considerations

Conditions referred to within the South Cambridgeshire Licensing Policy relating to the prevention of public nuisance.

Example conditions relating to the prevention of public nuisance.

- a. Noise or vibration does not emanate from the premises so as to cause a nuisance to nearby properties

- b. Prominent, clear and legible notices are displayed at all exits requesting the public to respect the needs of local residents and to leave the premises and the area quietly.
- c. The placing of refuse - such as bottles- into receptacles outside the premises takes place at times that will minimise the disturbance to nearby properties.
- d. Noxious smells from the licensed premises are not permitted (subject to existing legislation not providing adequate measures) so as to cause a nuisance to nearby properties and the premises are properly vented.
- e. Flashing or particularly bright lights on or outside licensed premises (any such condition must be balanced against the benefits of providing lighting to promote the prevention of crime and disorder).

Legal Implications

All parties will maintain a right of appeal to a Magistrate's Court after the determination of this committee.

Dear

Thank you for your email addressed to Andrew below.

It is always difficult to word a condition for litter. Our client will keep the store and forecourt clear of litter and we sometimes have a condition to this effect. But I suspect the residents are referring to general litter in the area which is not necessarily our client's responsibility.

Perhaps we can discuss? I am on

Many thanks
