**4. Investment Partnerships Training - 12 March 2020 12pm to 4pm**

It is proposed that Investment Partnerships will fulfil a substantial role in the delivery of the Council's Investment Strategy, with a £170m funding allocation in this investment stream anticipated by March 2024. It is proposed that Full Council will, on 2nd April, consider the recommendation from Cabinet on 4th March to enter into Limited Liability Partnerships with two Partners, Hill Partnerships Limited and Balfour Beatty Investments. It is essential that members who will be scrutinising this proposal are properly informed as to the nature and extent of these Partnerships. To this end, specific training on this issue has been organised on 12 March, timed to start and finish before the Scrutiny and Overview committee meeting.

The training will cover the following issues:

- The role of investment partnerships within the SCDC Investment Strategy
- Key ingredients for successful partnerships
- What the parties bring to the table
- Governance challenges within the investment partnerships
- Initial business case development and approval
- Exit strategies on investments
- Interaction between investment partnerships and Council policy framework
- Community engagement and public perceptions
- Case studies / experiences from elsewhere
- Legal basis (Haringey Case)

The training will be delivered by Chris Brain, an expert in the field who has previously provided member training to the Council on its Investment Strategy in April 2019. He is an expert in this field, able to easily disseminate what can sometimes seem an impenetrable subject in a highly accessible and enjoyable way.

Please advise Democratic Services if you can attend the training on Thursday 12 March

from 12 noon to 4pm in the Council Chamber. Lunch will be provided.
