**2. Sustainability Master Planning for Village Communities**

Janet Hall from Swaffham Prior is keen to hear from communities to wanting to produce; a sustainability focussed neighbourhood plan, a carbon reduction plan (as asset improvements / changing patterns of use / management plans / communication plan to village); or a simple resource plan of villages for use in procuring further funding or sustainability development. If you think you could benefit from assistance, please contact [ZCC@scambs.gov.uk](mailto:ZCC@scambs.gov.uk)

**3. Do you have a site in your parish/ward which would be suitable for installation of one or more electric vehicle charge-points for taxis?**

The Council has funding for a limited number of these through the government 's ULEV scheme. The charge-points would be available exclusively by taxis for a maximum of three years, after which this restriction would be removed and they would be available to all.

To be suitable the site needs to be:

- In a car park, or already-established parking area (so as to limit ground works requirements)

- Accessible 24 hours a day
- Close to local amenities suitable for taxi drivers to stop for up to one hour for breaks and vehicle recharging

Preferably it would also be:

- Close to areas which are likely drop off and pick up points for the taxi trade
- On council owned land (parish, district or county - to reduce any potential delays over site ownership)

Any potential sites will be subject to a feasibility study to establish scope of works, including electrical connections and costs, which will be carried out by the Council and will determine whether a site can proceed to installation.

Please contact [jane.jackson@scambs.gov.uk](mailto:jane.jackson@scambs.gov.uk) with details of potential sites as soon as possible and by 7 October latest.

## 6. View Planning Applications

To view the list of planning applications that have recently been submitted to the Council, please visit the authority's on-line [Planning Application Search](#).

The system will provide a range of information on current and decided applications since 1948, including a brief description of the development, reference number, decision and the date of decision. More recent applications show the name and telephone number of the council officer who is dealing with the application.

Search results are presented in a collection of pages, the number of which depends on the number of results your search produces. There are navigation tools to allow you to browse your results.

## Executive Decisions Taken Since Wednesday 9 September 2020

In accordance with the [Access to Information Procedure Rules in Part 4 of the Council's Constitution](#), any executive decision shall be published normally within five days of being made. That record will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless called in for review by the Chairman of the Scrutiny and Overview Committee or by any five other councillors.

A list of decisions currently within the call-in period is available [on the Council's website](#).

The call in procedure is set out in full in [Part 4 of the Council's Constitution, 'Scrutiny and Overview Committee Procedure Rules'](#).

## 7. English Tree Strategy - Response to UK Gov Consultation

The Lead Cabinet Member for Planning **AGREED** to approve the council's response to the

England Tree Strategy.

Please note that with the agreement of the Chair of Council and the Chair of the Scrutiny and Overview Committee this decision was taken as an urgent decision and so cannot be called-in.
