The sub-committee will consider any requests for permission to present new evidence or information not previously disclosed to all the parties and the sub-committee prior to the hearing. The general rule is that such information or evidence must not be considered unless all parties at the hearing agree to it being considered on the day of the hearing. A request may be made for a short adjournment to allow time for everyone to receive copies of the extra information and time to read it.

6. Allocation of time

Each party will be asked for a time estimate for the presentation of their case. The sub-committee will hear all estimates and then allocate each party an equal amount of time to speak.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the following documents (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below)

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 17(3) or 18A (2) of the Immigration (European Economic Area) Regulations 2006, to a person

- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

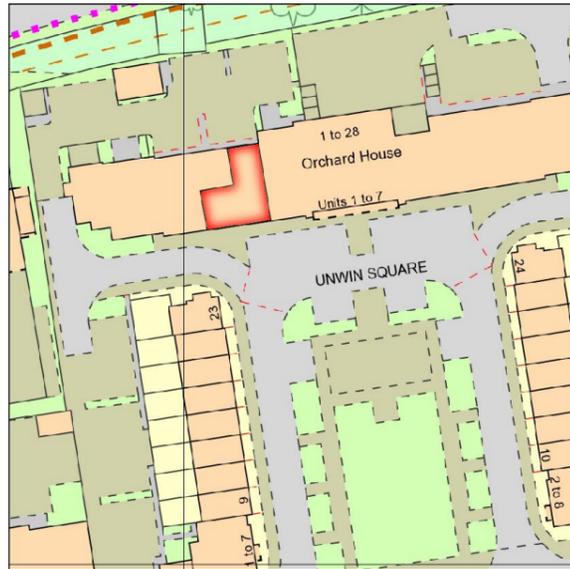

To demonstrate their right to work via the Home Office online right to work check service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and /or documentation applicants will need in order should submit copy documents as set out above.

Subject: notice of application for a premises license in - Mo Malik in Orchard Park

Hi,
This email is from occupant [Redacted]

As was suggested in your email, I would like to express my concern in granting of License for alcohol consumption both on and off the premises to shop Mo-Malik.

Area around Unwin Square is quite high in crime and anti-social activity (involving altercations, use of abusive language, infightings among group and most recent one was the case of stabbing (past news can be referred. Local councillor is also aware of it.). As per my opinion, grant of this license has the potential to further attract people who can exhibit such behaviours and lead to more disturbance in area. Late night timings also add to the risks.

Tesco express is right next to Mo-Malik and alcohol can be easily bought from there and consumed at home.

Considering this is a family square, myself being father of two young kids, I have my serious apprehensions about this licence and would like to request that license should not be granted to Mo-Malik.

Hoping for your kind consideration.

Thanks
