Agenda Item 2

A14 Cambridge to Huntingdon, Cambridgeshire: major improvements

We are currently carrying out finishing works for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 9pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

Full closures

Monday 14 to Tuesday 15 (two nights)

- Hinchingsbrooke Park Road loop

Vehicles wishing to travel towards Brampton will be diverted via Huntingdon Ring Road and then back along the B1514 Brampton Road.

Vehicles travelling from Huntingdon will be diverted to continue on B1514 Brampton Road westbound to the roundabout and return eastbound to then turn left into Hinchingsbrooke Park Road

Thursday 17 to Friday 18 (two nights)

- Mill Common Link between Pathfinder Link and Huntingdon Station car park

An escort vehicle will be located at the closure point to escort vehicles in and out of the station car park

Please be aware, our Operational colleagues will have the A1307 westbound closed between Godmanchester and Pathfinder Link. Our escort will take vehicles to and from Pathfinder Link to join Huntingdon Ring Road
