Exclusion of Press and Public

The law allows Councils to consider a limited range of issues in private session without members of the Press and public being present. Typically, such issues relate to personal details, financial and business affairs, legal privilege and so on. In every case, the public interest in excluding the Press and Public from the meeting room must outweigh the public interest in having the information disclosed to them. The following statement will be proposed, seconded and voted upon.

"I propose that the Press and public be excluded from the meeting during the consideration of the following item number(s) in accordance with Section 100(A) (4) of the Local Government Act 1972 on the grounds that, if present, there would be disclosure to them of exempt information as defined in paragraph(s) of Part 1 of Schedule 12A of the Act."

If exempt (confidential) information has been provided as part of the agenda, the Press and public will not be able to view it. There will be an explanation on the website however as to why the information is exempt.

Notes

- (1) Some development control matters in this Agenda where the periods of consultation and representation may not have quite expired are reported to Committee to save time in the decision making process. Decisions on these applications will only be made at the end of the consultation periods after taking into account all material representations made within the full consultation period. The final decisions may be delegated to the Corporate Manager (Planning and Sustainable Communities).
- (2) The Council considers every planning application on its merits and in the context of national, regional and local planning policy. As part of the Council's customer service standards, Councillors and officers aim to put customers first, deliver outstanding service and provide easy access to services and information. At all times, we will treat customers with respect and will be polite, patient and honest. The Council is also committed to treat everyone fairly and justly, and to promote equality. This applies to all residents and customers, planning applicants and those people against whom the Council is taking, or proposing to take, planning enforcement action. More details can be found on the Council's website under 'Council and Democracy'.
