### 5. **Queen's Platinum Jubilee - Community Chest Funding**

The Council would like to support communities in marking 'The Queen's Platinum Jubilee'. For this reason, the criteria for the Community Chest Grant scheme has been flexed on a temporary and one-off basis until 12 April to allow Parish Councils and community groups to make Jubilee-related applications of up to £700. Applications will then be assessed at the Grants Advisory Committee meetings in March and April to help parishes plan.

Examples could include the purchase of a Commemoration bench or the planting of a tree or a rose in honour of the Queen's Platinum Jubilee. These are just a couple of ideas! If you know of any community groups wishing to undertake a Jubilee-related project, we would ask you to make them aware of this fund.

Applications should be in the spirit of the rest of the Community Chest grant criteria. Further details and how to apply can be found at the Council's [Community Chest Grant webpage](#)
