Guidance For Visitors to South Cambridgeshire Hall

Disclosable pecuniary interests

A “disclosable pecuniary interest” is an interest of you or your partner (which means spouse or civil partner, a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners) which falls within the categories in [Table 1 of the code of conduct, which is set out in Part 5 of the Constitution](#).

Where a matter arises at a meeting which directly relates to one of your disclosable pecuniary interests you must:

- disclose the interest;
- not participate in any discussion or vote on the matter; and
- must not remain in the room unless you have been granted a dispensation.

If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.

It is a criminal offence to:

- fail to notify the monitoring officer of any disclosable pecuniary interest within 28 days of election
- fail to disclose a disclosable pecuniary interest at a meeting if it is not on the register
- fail to notify the Monitoring Officer within 28 days of a disclosable pecuniary interest that is not on the register that you have disclosed to a meeting
- participate in any discussion or vote on a matter in which you have a disclosable pecuniary interest
- knowingly or recklessly provide information that is false or misleading in notifying the Monitoring Officer of a disclosable pecuniary interest or in disclosing such interest to a meeting.

Other registerable interests

These are categories of interest which apply to the Councillor only (not to their partner) and which should be registered. Categories are listed in [Table 2 of the code of conduct, which is set out in Part 5 of the Constitution](#). Where a matter arises at a meeting which directly relates to the financial interest or wellbeing of one of your Other Registerable Interests, you must disclose the interest. You may speak on the matter only if members

of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter; and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of non-registerable interests

Where a matter arises at a meeting which directly relates to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Where a matter arises at a meeting which affects – a. your own financial interest or well-being; b. a financial interest or well-being of a relative or close associate; or c. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in Table 2 you must disclose the interest.

In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied. Where a matter (referred to in the paragraph above) affects the financial interest or well-being: a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and; b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest, you may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

[Where you have an Other Registerable Interest or Non-Registerable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

Agenda Item 2

SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL

LICENSING APPEALS SUB-COMMITTEE

HEARING PROCEDURE

1. Introduction

- The Chair of the sub-committee will welcome and introduce everyone present, giving explanations of roles where necessary, and outline the procedure to be followed.
- The hearing will take the form of a discussion to be led by the sub-committee.
- Members of the sub-committee will be able to ask questions of any party, or the Licensing Officer, at the hearing. They will try, so far as possible, to ask their questions at the conclusion of each party's submission.
- The sub-committee will consider any requests for permission to ask questions of other parties. It will decide if questions are required in order for it to consider the case properly. If permission is given to one party, it will usually be given to all other parties.
- The Chair may ask any person behaving in a disruptive manner to leave and may refuse to permit that person(s) to return or may permit them to return with specified conditions. Such a person may, before the end of the hearing, submit to the authority in writing any information which they would have been entitled to give orally had they not been required to leave.
- Members of the sub-committee will be asked to make any Declaration of Interests.

2. Witnesses

The sub-committee will consider any requests from any of the parties to call witnesses.

3. New evidence/information

The sub-committee will consider any requests for permission to present new evidence or information not previously disclosed to all the parties and the sub-committee prior to the hearing. The general rule is that such information or evidence must not be considered unless all parties at the hearing agree to it being considered on the day of the hearing. A request may be made for a short adjournment to allow time for everyone to receive copies of the extra information and time to read it.

4. Licensing Officer's report

The Council's Licensing Officer will outline details of the application and representations received by the council. No recommendation to members will be made.

5. Applicant's case

The applicant will present their case first. They have a right to:

- address the sub-committee on any points of clarification the council has sought;
- address the committee generally; and
- call any witnesses that they have been given permission to call. Witnesses may be cross-examined if permission is granted. If this happens, the time taken for questions will count towards the allocated time of the party asking the questions, not the party answering them.

Members of the sub-committee may ask questions of the applicant.

6. "Responsible authorities" representations

Other "responsible authorities" (Police/Fire/Environmental Health Officer/Social Services/Trading Standards/Planning Directorate) will then make representations, with the same rights as listed at s.6. Members of the sub-committee may ask questions of those authorities represented.

7. Any other representations

Anybody else making representations will go last, with the same rights listed at s.6.

Members of the sub-committee may ask questions of any person who has made a representation.

8. Legal advice

Once all parties have presented their cases to the sub-committee, and the members of the sub-committee have no more questions for any of the parties, the Council's Legal Officer will be asked to outline any relevant legal guidance.

9. Decision-making

The sub-committee will then retire to another room to make its decision. The Council's Legal Officer and Clerk will accompany members to advise where necessary and take notes of the decision.

10. Notification of decision

Depending on the nature of the application, a determination of the case will either be made at the conclusion of the hearing, or within 5 working days. In most cases, all parties will be notified of the decision in writing.

Agenda Item 3

South Cambridgeshire District Council

Report to: Licensing Sub-Committee
Author/s: Licensing Technical Officer
Date: 11 October 2023
Lead Officer: Natasha Wade-Guest

Application for the Grant of a Street Trader Consent – Dale Price, T/A Slice of Price

Purpose

1. To request the Sub-Committee determine a mobile street trading consent application which has been subject to representation.

Background

2. On 30 April 2023, an application for a mobile street trading consent was submitted to trade Fridays (every month) between 18:00 and 21:30 at The Black Horse, 63 Orchard Road, Melbourn, Royston, SG8 6BP. The application also requested to be able to trade at Whaddon Golf Centre to which there were no representations received.
3. The application form is attached as **Appendix A**, and a copy of the location plan is attached as **Appendix B**.
4. In line with the Council's current Street Trading Policy, views were sought on the application by consulting with:
 - Ward & Division Councillors
 - Parish or Town Councils
 - South Cambridge Council Environmental Health
 - Cambridgeshire Constabulary
 - Shared Planning Service
 - Cambridgeshire County Council Highways
5. In addition, a site visit was undertaken by the Licensing Principal Officer on 18 May 2023, to both assess suitability and to follow up a complaint from a neighbour who had raised concerns regarding trading within the premise car park and had suggested the location was dangerous and a nuisance. The Officer considered the location of the

trading unit, space available within the car park and access to the car park to be in a suitable location, and does not impede traffic flow, nor cause a hazard.

Photographs of the trading location are attached as **Appendix F**.

6. Where valid representations have been received against an application, the application will be referred to the Licensing Sub-Committee for determination. There is no formal right of appeal against refusal of an application following the decision.
7. The application to trade at the Black Horse, Melbourn has been opposed by Melbourn Parish Council. A copy of the representation is attached as **Appendix C**.
8. A petition was handed to the Council by Cllr Jose Hales on behalf of the Black Horse, Melbourn in support of small business food vendors trading at the premises and is attached as **Appendix D** along with a letter from Steve Harrington, landlord of the Black Horse, Melbourn attached as **Appendix E**.
9. The trader has been permitted to trade at the location pending the decision of the Committee, in order to support the business due to a number of factors;
 - a. Trading was not taking place daily, only once a fortnight for a short time period.
 - b. As soon as the trader was advised a Street Trading Consent was required, the application was immediately applied for, and all paperwork and safety checks were in order, therefore suggesting there was no evidence to suggest non-compliance.
 - c. There have been no nuisance complaints lodged with Environmental Health.
 - d. It was advised that the local amenity had been supportive of the business, so to remove without notice may have prejudice those service users.

Key Considerations

10. A representation against an application must relate to one of the following criteria; Public Safety, Public Nuisance or "General".
11. The Council will normally grant a Street Trading Consent unless one or more of the criteria below are identified.

(a) **Public Safety**

- (i) Road Safety: A significant effect on road safety would arise either from the siting of the trading activity itself such as interference with sight lines for any road users or pedestrian crossings, or from customers using, visiting or leaving the site;
- (ii) Accidents: Where there are concerns over the recorded level of personal injury accidents in the locality where the street trading activity will be sited;
- (iii) Traffic Orders: There is a conflict with traffic orders such as waiting restrictions;
- (iv) Access: The site or pitch obstructs either pedestrian or vehicular access, or traffic flows, or places pedestrians in danger when in use for street trading purposes;

- (v)Obstruction: The trading unit obstructs the safe passage of users of the footway or carriageway;
- (vi)Food Safety: the trader has failed to meet adequate food safety/hygiene standards.
- (vii)Health and Safety: the trader has breached or failed to meet any health and safety standards

(b) Public Nuisance

- (i) Loss of amenity: There would be a significant loss of amenity caused by traffic, noise, rubbish, potential for the harbourage of vermin, odour, or fumes.

(c) General

- (i) Commodity duplication: That within the proposed pitch location, there are already traders or businesses offering the same service or providing the same principal food/commodity during the hours the consent is applied for. This is to ensure a diverse offering of services. Competition issues will not be a consideration;
- (ii) Unit unsuitability: The trading unit is not considered to be suitable in style or in keeping with the location(s) requested.
- (iii) Fees: In the case of a renewal application the previous year's fees have not been paid.
- (iv) Complaints: The consent holder has been the subject of a serious substantiated complaint or multiple substantiated complaints relating to public safety and/or public nuisance as detailed above
- (v)Suitability of applicant: This Licensing Authority will only issue a street trader consent to an applicant which it considers to be 'fit and proper' to hold a consent i.e. they have not disclosed any convictions that would bring into question their suitability to be issued a licence and has the right to work under UK immigration law,

12. All applications will be determined on their own merit.

Recommendations

13. The sub-Committee are requested to determine this application.

14. When determining an application, the sub-Committee may:

- (a) Grant consent to the applicant as applied for.
- (b) Grant consent to the applicant subject to modifications to the days, times or locations on which trading may take place; attach additional conditions to the consent.
- (c) Refuse to grant the Consent.

Legal Implications

15. The Committee must have regards to the Policy, and only take into consideration the relevant factors of the representation. There is no right of appeal to a Magistrate's Court should the application be refused.

Subject: RE: Street Trading application - 269251

Good afternoon Marc,

Thank you for your reply.

Although the Parish Council understands that these conditions are in place for all street traders, it is felt that they are currently not being enforced by licensing. Current traders at the location are causing parking and traffic issues, litter, cooking smells, noise, and a nuisance to residents, and these issues have been reported to licensing but it has not resulted in improvement of the situation. Moreover, it is understood that there are unlicensed traders operating at this site who have been reported by residents to licensing, but there have been no consequences for the unlicensed traders. Therefore, the Parish Council is not reassured that the situation would be any different with this street trading vendor. Furthermore, regardless of the conditions in place, the Parish Council does not feel that the location is suitable because, as noted in my previous email, the use of the street trading vendors is not limited to patrons of the pub; the traders are advertising themselves widely on social media and attracting many customers from outside the village for general takeaway, so there are a lot of vehicles visiting the site to collect takeaway food, which has resulted in a high amount of traffic and parking issues.

Many thanks
Sophie

Subject: RE: Street Trading application - 269251

Hi Marc,

This application was considered by the Parish Council who have decided to object the application from Slice of Price at the Black Horse on the grounds that it is not a suitable location for a street trading due to the parking and traffic issues, smell from cooking, and litter with the comment that if permission is granted by SCDC that the site should be free of litter.

It was noted at the meeting that the street trading vendor in place there currently is not limited to patrons of the pub and is used for takeaways, so there are a lot of vehicles visiting the site to collect takeaway food. Also, it was noted that it is in a residential area and the council have

received complaints about the noise from residents.

Many thanks

Good morning Marc,

Is there any chance on having an extension for the deadline to comment? Our next planning meeting where this can be discussed is the 12 June, and some councillors would like to discuss this.

If this is too late, I understand.

Many thanks

Sophie

APPENDIX E

How is The Parish Council able to make a decision with no consultation with all parties. We have never been notified or knew of any complaints.

Listening to the minutes of the meeting (available on line) even one of the councillors asks if The landlord of The Black Horse has been advised.

Why is a parish councillor knocking on the doors of our neighbours trying to rally support.

Exactly, how many complaints have you received, and how many of those were before the councillor started asking for support.

The pub is an integral part of the village and is 100% supported by locals as can be clearly seen by the post codes on the petition that has been signed by over three hundred local residents.

How many councillors have visited the premises to see for themselves, the accusations made against the street vendors. Again, listening to the minutes it is abundantly clear that all but one are even aware of the days and hours food is available. It is assumed by them that people are turning up at all times of night to purchase food when this is absolutely not the case.

The council have been led to believe that the bulk of the food served is for customers to take away. This is absolutely wrong. The whole idea of having them on site was to offer the pub customers a food service on site at our busiest time.

To say that people can't open their doors because of the smell is absurd. We have walked the surrounding roads and if anything can be smelt it is the faint aroma of a food, no more or less than anyone cooking or having a BBQ in their own home.

The pub has the ability and right to be open and serve food all day sending the smell of food into the local area for 12 hours. Fortunately for our neighbours we don't do this, however, If we decide to offer a BBQ from our Pub garden every Friday for four hours what would the difference be?

We offer a choice of food that is not available anywhere else in the village and would just like to make it clear that Between Buns isn't just a burger van. It sells top quality Gourmet Burgers normally only available in restaurants. Slice of Price offer completely fresh homemade Pizzas.

The pub allows one trader on a Friday evening on our private property between approximately 5.00pm and 9.00pm so it's not late, and a sea food stall on a Sunday 12.00-5.00.

All three outlets have complied with the regulations regarding street vendors and have all the necessary permits and food hygiene certification.

Customers have the ability to order their meal online and book a time slot that they wish to eat. This in turn does away with lots of people milling around outside waiting for their meal. It has been said that the vendors are creating more traffic in Orchard Road. The vast majority of their sales are to locals who are frequenting the pub. People in the village do actually drive to the pub. It has never been a concern as to traffic volumes when all the new housing in the village has taken place.

There has been an accusation of litter left behind. This statement is absolutely untrue. The opposite applies and every effort is made to clean up. If the Parish Council were to visit the pub they would see the amount of time and expense we spend on floral displays and decoration in order to make the pub as welcoming as possible. Why would we allow rubbish to be left outside to the detriment of the business. We often actually empty the bin on the common land for this very reason. Something that is not done by the local council often enough. This bin outside the pub is often over filled with everything including dog excrement.

Parking and traffic gets mentioned a lot. Parking has always been at a premium. Not just in Maple way but all around the surrounding area. Friday early evening is our busiest trading time of the week and there would be a problem if we were offering food or not.

The pub employs local people and needs to optimise every income stream available to keep it going in these very difficult times for the leisure industry.

We are helping young and new businesses develop locally creating both employment and financial opportunities for people in these extremely tough times.

I have seen two complaints that have been made and are available on line, one of which states: Our neighbours direct representations and polite protests were rebuffed. I can categorically state that at no time have we ever entered into any dialogue with anybody over this matter and that no one

has ever come to see us and raise any concerns. In fact we were completely unaware that there were any concerns at all. It has become clear through all of this that there is most definitely a personal conflict of interest in these accusations as my nearest neighbour just happens to be on the Parish Council and can be clearly heard on the audio of the minutes commenting on various aspects of this objection. She should in fact have been asked to leave the meeting during this discussion as it absolutely creates a conflict of interest and she clearly, was not.

Please come and visit the pub on a Friday before, during and after trading to see for yourselves. You would be more than welcome.
