

South Cambs CDRP priorities and action plan April 2017 to March 2018

Adding value

This partnership action plan identifies how we can work together to “add value” to existing core services delivered by individual agencies. It does not list core services or activities and initiatives planned by individual agencies.

Funding

We will use £16,000 funding received from the Office of Police & Crime Commissioner to deliver these actions, as well as explore other partnership opportunities, including building on existing and any potential shared services operating across traditional district boundaries.

| Priority 1 | Priority 2 | Priority 3 |
|---|---|---|
| Work together to.... | | |
| Protect the vulnerable | Tackle Dwelling Burglary | Improve our understanding of our increasingly diverse communities and build community resilience |
| Context | | |
| <p><i>There are many different groups of vulnerable people living in the District including those vulnerable to:</i></p> <ul style="list-style-type: none"> • <i>Modern Day Slavery</i> • <i>Trafficking</i> • <i>Domestic Abuse</i> • <i>Hoarding</i> • <i>Child Sexual Exploitation (CSE)</i> • <i>Hate crime</i> • <i>Cyber Crime</i> • <i>Scams and Rogue Trading</i> | <p><i>Compared to national and county levels, burglary remains low in the District.</i></p> | <p><i>South Cambridgeshire is changing. There are new developments in progress and planned, but additionally people are attracted to existing villages. This is a 2 stage priority; firstly we want to improve our knowledge of our communities, secondly to take specific action once issues are identified.</i></p> |
| <p>Cross-cutting themes</p> <p>Improved and appropriate information sharing leading to targeted partnership initiatives Contribute to the Serious Organised Crime Local Profile (SOCLP) Communicate key messages to residents and partner agencies</p> | | |
