3.	Combined Authority Board Update	<p>The Chairman welcomed the Mayor and invited him to provide the committee with an overview of the Combined Authority activities for the last six months.</p> <p>The Mayor highlighted the following points:-</p> <ul style="list-style-type: none"> •The Combined Authority was an opportunity to do things differently; it was important to recognize that the Combined Authority was a delivery body not another local authority. •The Combined Authority would be a lean organisation which would have a staff of less than 20 people. •There had been some unexpected issues that the Combined Authority had had to deal with such as the situation with the Greater Cambridgeshire Greater Peterborough Enterprise Partnerships; this had been dealt with transparently and would hopefully result in a better system and provide an opportunity for integration that would solve staffing problems and remove the duplication of services that existed within the area. •The Combined Authority was a fast moving organisation; reports that were brought forward under the 100 day plan were already coming to fruition, reports such as the Mass Rapid Transport and the A10 study. •The Mayor outlined how he had been involved in talks with investors and central government who were keen to be involved with the authority. •The Combined Authority was unique and did not fall naturally into the defined tag of a metro mayor system. The Cambridgeshire and Peterborough area had a strong economy which needed to be harnessed. •There was a real opportunity to bring in significant investments from the private sector. •The Mayor felt that having a core staff and high levels of consultants was the way forward for the Combined Authority. •The post of the Section 151 officer needed someone with a deep understanding of the

		<p>Combined Authority.</p> <ul style="list-style-type: none"> •The Mayor gave his commitment that the Combined Authority would ensure it was transparent in all its activities. <p>The Chairman thanked the Mayor for attending to provide an update and asked him to return at a future date to keep the committee updated.</p>
4	Internal Audit Update	<p>The Committee received the report from the Chief Internal Auditor which outlined the ongoing review of the governance arrangements within the Combined Authority.</p> <p>Cllr Harrison asked whether the Code of Conduct could be reviewed as it seemed too lightweight in comparison to the Code of Conduct of other local authorities and was advised that the Monitoring Officer favoured a less complex code but that the Code of Conduct could be included within the review and would discuss this with the Chief Internal Auditor.</p> <p>The Chief Internal Auditor would bring a report back to the Audit and Governance Committee with a further update on the review in March.</p> <p>The Chairman raised the issue of the Overview and Scrutiny Committee requesting a review of the consultants used by the Combined Authority. Members of the committee requested this be extended to include a broad range of procurement activities.</p> <p>The Chairman advised that it was important that the remits of the Overview and Scrutiny Committee and the Audit and Governance Committee were clear to avoid duplication of work and that he would be meeting with the Overview and Scrutiny Committee Chairman in the New Year.</p>

As the materiality had been set at the top range this meant the auditors felt there was currently low risk.</p> <p>As a result of the external deadlines being moved there would be more estimated figures used which did create more risk, however this should be mitigated by the committee having early sight of the accounts. If there was anything significant that could have an effect on the estimates this would be discussed with the committee.</p> <p>Risks around the Mayor operating without appropriate arrangements in place or the absence of the Section 151 Officer would be reflected in the risk audit carried out by the external auditor.</p> <p>Currently the external auditors had good engagement with the finance officers and were satisfied with the interim arrangements.</p> <p>The Chairman requested that he be consulted if the external auditors did develop any concerns.</p> <p>The Committee received and considered the External Audit Plan for 2017/18.</p> <p>The Committee noted the planned audit fees for the year and noted the changes in statutory deadlines for the preparation of draft accounts and publishing of audited accounts.</p> <p>The Committee approved the proposal to hold an informal workshop in mid-May to discuss and</p>

The Combined Authority is trying to establish current and future borrowing and investment profiles. • Substantial funding had been received for the housing programmes and the CEO expected that in January 2018 the Combined Authority would have a strong profile of delivery against those programme and therefore a much stronger understanding around capital deployment. Papers would be coming to the Combined Authority Board regarding this. • The other two areas of major capital were the transport projects and the Peterborough University. • The CEO advised that all feasibility studies for transport schemes had been commissioned and in 9-12 months the Combined Authority would have a view on the

		<p>feasibility of those projects and the likely delivery of those into capital programmes.</p> <ul style="list-style-type: none"> •The final business case for the Peterborough University would come to the Board in December 2018 and it was expected that it would include a view on funding strategy for university, which may involve tens of millions of pounds and would also provide an understanding of the timeframes. •The Combined Authority was accountable to the DCLG to ensure we have delivering value for money schemes. The role of the committee was to ensure systems were in place to allow for this. <p>The Committee members debated the need for the Treasury Management Strategy to be bolder, with some members feeling it should remain as proposed in the report while others felt it needed to take more risks.</p> <ul style="list-style-type: none"> •The Committee requested that the report return in March with two alternative options for the committee to consider and make recommendations on to the Board on the Treasury Management Strategy. <p>The Committee requested that advisor attend the march meeting to provide a development session on this topic to help inform the committees decision.</p> <p>The Committee reviewed the Combined Authority's draft Treasury Management Strategy for 2018/19 and note that an updated version will be brought back to the next Committee meeting to take account of any changes prompted by the DCLG November 2017 consultation.</p>
