Dear Louise

Community Governance Review

Following on from the meeting yesterday and our exchange of various emails, I am pleased to confirm that Thriplow Parish Council wishes there to be a Community Governance Review of the distribution of seats on the parish council. The intention is to reflect the distribution of population between the Heathfield Ward and the Village Ward.

Thriplow Parish Council also wishes to change the name of the parish to "**The Parish of Thriplow and Heathfield**". The purpose of this is to more accurately reflect the fact that the parish is made up of 2 composite parts each having its own identity but comprising one united entity.

I trust that these requests can be considered by South Cambridgeshire District Council as soon as possible?

Yours sincerely
