

Addition to the Notice of Key Decisions and Non-Key Decisions – General Exception

Notice is hereby given that, in accordance with Rule 15, General Exception, of the Council's Access to Information Rules, the following item has been added to the Notice of Key and Non-Key Decisions.

Decision to be made	Description of Decision	Decision maker	Date of decision	Reason for Report to be considered in private	Lead Cabinet Member and Contact Officer	Documents to be submitted to the decision taker
NNDR Discretionary Rates Relief Policy Update	Adoption of the updated policy following changes to reliefs by central Government	Lead Cabinet Member for Finance	Not before 5 March 2020	n/a	Lead Cabinet Member for Finance Katie Kelly, Revenues Manager	Report

Government frequently introduces new/changes to rates relief and expect that this is delivered via the Council's discretionary powers, negating the need for legislative changes. This decision needs to be taken sooner than the statutory notice of a Key decision allows.

The Chairman of the Scrutiny and Overview Committee has been informed of this matter on 25 February 2020, as required by Rule 15 of the Access to Information Procedure Rules.
