

Public Questions

Question received from Mr Daniel Fulton:

“Since planning delegation decisions have been taken by unlawfully by the chair of the planning committee at private meetings with officers held in violation of s. 101 of the Local Government Act 1972, no agendas, minutes, reports, background papers, or other public records exist of the decisions taken these meetings.

Could the joint director of planning and economic development please provide a breakdown of how many requests for planning applications to be considered by the planning committee were received from parish councils and local members in 2019 and also provide a breakdown within the each category of the outcomes of the delegation decisions made in 2019?”
