### **SOUTH CAMBS MAGAZINE AWARD**

*South Cambs Magazine* was a Finalist in the 'Newsletter' category of the East Anglian Chartered Institute of Public Relations PRide Awards for 2005/06.

The judges said 'this was a good, professional magazine combining readability with authority. It was well laid out with good visuals, and one would like to think that it would never be thrown out with the junk mail!'

An award certificate is being put up in reception and we are entitled to use the CIPR Award logo on the front cover of future issues.

### **BASSINGBOURN: INVITATION TO VISIT SMALL-SCALE WIND TURBINE, GULDEN GATES ORGANIC SMALLHOLDING**

Following a recent feasibility study undertaken on behalf of Sustainable Girton concerning the possible siting of a wind turbine in Girton, Cameron Adams is arranging a site visit to view a recently installed small scale wind turbine. Simon Sagers from Guilden Gate (<http://www.guildengate.co.uk/> – a small organic smallholding at Bassingbourn) has kindly agreed to host a visit for us all to view his recently installed wind turbine. This will provide you with an opportunity to ask any questions you may have concerning its cost, performance, reliability, safety etc.

Cameron is endeavouring to schedule the visit sometime early in the New Year. If you would like to attend, please advise him of your availability for the following dates:

- Tue 10 Jan am/pm
- Wed 11 Jan am/pm
- Thu 12 Jan am/pm

Applicant	Decision and Reasons
Opportunities Without Limits	<p>Awarded £2,000 Arts Project Grant Aid.</p> <p>This application was to support a summer school project involving the programming of arts activities for both students of OWL and other members of the community with learning difficulties. The activities included drama and performance with Fluid Theatre Company, drumming workshops, arts and crafts, and dance. The week ran from 8th – 12th August, culminating in a 'sharing' at the end of all the activities.</p> <p>Opportunities Without Limits strives to improve the lives of many people, young and old, who have learning difficulties. OWL provide work, learning and leisure opportunities for adults with learning difficulties to increase confidence and help them live normal lives in the community.</p>
