

# How we have helped so far...

We have distributed nearly **£20 million** to help 1,686 businesses who have suffered financially due to Coronavirus

We have helped our **103 parishes** (and staggering 4,500 volunteers) to set up local Covid groups to help vulnerable people

We collected more than **235 tonnes** of green waste on the first day of restarting garden waste collections

We have contacted **3,086 tenants and leaseholders** to make sure they have the support that they need

Our Coronavirus advice and support videos have been viewed more than **28,000 times** on Facebook

We're running an emergency **food and baby essentials supply hub**, providing a last line of support, 7 days a week

We're sending weekly Coronavirus business updates to **640 local companies**, and supporting many more

Our Coronavirus-related website pages have been viewed almost **127,000 times**

Nearly 60 Council staff have worked with **community groups and volunteers** to help people who need us most

We've helped volunteers **provide 130 hot meals** a week to people as part of a pilot in Melbourn

**Around 4,300 residents** are being helped to get through the Coronavirus emergency by community groups across the district
