We operate an event venue based on our family farm, within our old wooden barn with adjoining bar room/toilets. We have operated this venue for over 12 years by way of Temporary event notices. We have lawful use of the buildings for this purpose, currently up to a maximum of 30 days per calendar year. Therefore, I have requested for a license for everyday of the week, 12:00-00.00. But in practice, this will not exceed the 30 days per annum but gives me flexibility to use those 30 days when requested by clients.
As we are an established business, and with my own personal license held since 2015, I have no doubt about continuing to

work to a high standard within each licensing objective (more specific information pertaining to each objective is explained later in this document).

Our application to allow us to sell alcohol for consumption off-site is to allow us to sell left-over wine from events back to our wedding couples. We are also considering selling alcohol during this period of lock-down while we have no ability to generate any other income currently. This may include the sale of alcohol purchased for events due to take place this year, which have had to cancel.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

State type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

To continue with indoor amplified and unamplified music as we have been doing (by way of Temporary Event Notices) for 12 years. This will take place within the main wooden barn, again exactly as we have done for many years. The wooden barn has recently been sound/heat insulated. Some 'background' music to continue to take place in outdoor areas. As we typically mostly host weddings, this is often a string quartet or other music allowing guests to speak to one another at the early part of the day during a drinks reception.

PLEASE NOTE - The gardens are only used for arrival receptions of weddings. Typically a 2 hour period taking place before 6pm. No access allowed to the gardens after the wedding party has moved inside the barn for the wedding breakfast. The only outdoor spaced used during/after the meal is the lawn area immediately outside of the venue, enclosed with metal fencing.

State any seasonal variations for the performance of live music

For example (but not exclusively) where the activity will occur on additional days during the summer months.

Most likely to take place Spring-Autumn but a few winter events may occur.

Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Event venue (usually Wedding receptions).

The bar room adjoins the main wooden barn and is situated on our family farm site. We have run events here over 10 years using Temporary Event Notices for each event (approx 10-15 events per year). We have consistently been able to demonstrate adherence to all licensing objectives, with no issues at all. We feel there is no reason this cannot continue if a full premises licence is granted.

Paula Banks holds a personal license, therefore fully aware of licensing objectives.

We work as a conscientious team, well aware that it is important we maintain a high reputation of being a well-run venue. This is essential reputation allows us to continue attracting clients so we guard it very passionately but

b) The prevention of crime and disorder

Preventing crime and disorder - Annual staff training is given to all staff on site as well as team briefings prior to each event. All staff are aware of the importance of not breaching licensing conditions, this is overseen and ensured by managers and we have never breached details within any Temporary Event Notice to date. All staff are aware of the implications of this breach. We train staff to recognise anti-social behaviour and who/when to report any concerns to. Staff constantly circulate all the areas of the site and report any concerns to the manager. We have a policy in place of 'PROVE IT' ensuring staff ask for identification from any guest looking under 25years of age, with poster on display at the bar. Staff are trained in the importance of doing this without worry, and the implications of not doing so.

c) Public safety

Public safety - We never overcrowd the venue and always adhere to maximum numbers in regard to safety. A full fire safety risk assessment is in place already, with full review annually, while more regular checks of specific areas is carried out (e.g.

Continued from previous page...

fire alarm tests) and findings recorded. We have a full Health and Safety assessment for all other considerations, reviewed annually. Accidents books are on site and all full-time staff trained in first aid and certificated. We have a Food Hygiene rating of 5 stars, inspected 2019. We follow strict food safety regulations.

Disabled facilities include access to a bathroom, all on one level for easy wheelchair access. There are steps into the barn room itself, therefore, we are happy to offer waitress table service throughout events if someone is unable to access this room; We have mobile card payment machines to help with this also. We can read menus to anyone with any visual impairment, or happy to provide large print menus.

d) The prevention of public nuisance

Public nuisance - We are happy to help all guests on site to organise transportation off the site, by calling taxis and allowing them to wait inside the premises until these vehicles arrive (for example at the end of the evening, when the event has ended to prevent sprawl). From experience, guests at our events tend to follow a gradual vacation of the premises throughout the evenings. Staff circulate outside areas to try and control any guests moving away from the venue towards domestic dwellings, that said, we have not had any guests have to be asked to return as typically they wish to stay with the party. Staff do not leave the premises until all guests have left site. CCTV is in place of the car parking areas also. To date, we have not had any antisocial behaviour or public nuisance noted at all, no need for any staff, guests or local residents to report any behaviour to the relevant authorities. We have voluntarily installed a noise limiter, set below the guidance from the Environmental Health officer and we do not allow any amplified music to continue after midnight. Staff are circulated throughout their shifts, to ensure they are not exposed to loud music for any prolonged period of time. We have recently installed insulation to reduce sound escape as much as possible, having sought advice from acoustic experts to achieve a program of sound proofing. Amplified music is only sited at the end of the barn, furthest away from surrounding properties. Due to the nature of the listed barn, windows are fixed closed by design, therefore sound cannot escape. The large open main doors are closed by 11pm (often much earlier due to temperature fall in the evening) to further reduce sound escape. After any event, before staff leave site, they walk around all outdoor areas to remove litter. This is repeated the next working day in daylight, to ensure nothing is missed. We provide a designated smoking area, with sand buckets, this is situated away from the majority of other guests and staff.

There is a bin located at the entrance/exit of the premises. Emptying of bins, by our contracted waste disposal, does not take place between 11pm-7am to ensure nuisance by vehicles/bottles is kept to a minimum. Bins are located out of public view during events to prevent public access.

We have ample car parking available on site, there has never been, nor likely any future need, for any guests cars to have to be parked off site.

PLEASE NOTE - The gardens are only used for arrival receptions of weddings. Typically a 2 hour period taking place before 6pm. No access is allowed to the gardens after the wedding party has moved inside the barn for the wedding breakfast. The only outdoor spaced used during/after the meal is the lawn area immediately outside of the venue, enclosed with metal fencing. During the use of all outdoor spaces staff circulate the perimeter and monitor noise and collect waste.

e) The protection of children from harm

The protection of children – As per our comment in crime and disorder : We have a policy in place of 'PROVE IT' ensuring staff ask for identification from any guest looking under 25years of age, with poster on display at the bar. Staff are trained in the importance of doing this without worry, and the implications of not doing so. Staff can accept a passport, driving licence or citizen card as proof of age. This also applies to the sale of cigars at the bar. We do not hold adult only entertainment or gambling. Weddings tend to be family affairs with a very diverse mix of ages, we offer furniture and activities for children to use to encourage them not to stay in the bar room during the evening where strong language and drinking alcohol can occur more obviously than the barn due to its smaller nature and lack of music.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
