M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

One Parish Councillor and the Village Hall Bookings Officer attended a Premises Licensing workshop event to hear presentations by East Cambs Senior Licensing Officer and Police Crime Reduction Officer. We consulted the 'Designing Out Crime' Officer (DOCO) from Cambridgeshire Constabulary on the building design, security features, and operational issues. He will continue working with us until building completion. He has analysed historic crime statistics and stated in his report that he considers the village of Hauxton to be "an area of low vulnerability to the risk of crime".

We have also engaged with the Police Community Safety Officer.

- a) Hauxton Centre will create a new governing body in time for completion of the building (expected September 2020).
- b) Ms Shelley Pearson has agreed to be the Designated Premises Supervisor, and is currently arranging to take the required training course, in time for her Certificate to be issued before the building opens in September.
- c) The building will not have a permanent designated bar area. Drinks will only be served at specific events such as Quiz Nights, OAP Lunch Club etc.
- d) The DPS will undertake spot checks to ensure that the Challenge 25 policy is observed and under-age drinking does not occur.
- e) No alcohol will be allowed to be taken away from any function, and signs will be provided to make people aware of this.
- f) The DPS will ensure that excessive alcohol consumption does not occur.
- g) Hauxton Centre must be closed by 22:30 every night. This restriction is a condition of the Planning Permission for the building from SCDC.

b) The prevention of crime and disorder

We will follow the advice from the DOCO on how to 'Design Out Crime'. CCTV will be installed around the entrance, with the appropriate warning signs. CCTV footage will be made available to the Police. The DPS is currently employed as a Porter at a Cambridge college and therefore has experience of dispersing and dealing with members of the public.

Hauxton has no pub, and no alcohol can be purchased within a 2 mile radius of the village.

The car park entrance will be well lit.

Bollards are strategically placed to prevent cars being driven onto the Recreation Ground, and the entrance area is completely overlooked by residential properties.

Security locks will be fitted for individual rooms and storage areas.

The Servedry will have mesh shutters and a lockable fridge.

c) Public safety

The DPS will attend large events.

The Management Committee will employ a caretaker.

A designated Health & Safety Officer will ensure that all H & S policies are in place, along with COSHH regulations.

A full fire system is being put in place, and extinguishers placed around the building as required, particularly in the Kitchen and Servedry.

Fire exit doors will be clearly marked, and the building is single-storey.

Anti-climb paint will be used if necessary to prevent access to the roof.

All waste bins will be stored in a high-fenced enclosure at the rear of the building.

Four members of the management committee have a Level 2 qualification in Food Safety and Hygiene, and one member has a Health and Safety qualification.

Policies already exist for the current Village Hall, and these will be amended and updated as necessary for the new building.

d) The prevention of public nuisance

To comply with the conditions attached to the Planning Permission, the building is designed to minimise all forms of public nuisance, as follows.

- To minimise light pollution and noise, there are no windows to the rear of the property (facing the houses across the road).
- Air conditioning to reduce the number of opening windows. This prevents the hall space intruding onto the surrounding Recreation Ground.
- Noise limiters will be fitted in the main hall.
- Apart from the main entrance doors at the side, there are no other entrances or exits except for the three fire doors.
- Lighting is designed to ensure the safety of pedestrians in the car park while not disturbing wildlife in the surrounding areas.
- As per the Planning Permission conditions, no events will be allowed to continue beyond 22:30.
- Car parking is limited, to encourage village residents to arrive on foot to reduce traffic.
- Cycle parking is provided, with security spotlighting and steel bollards for cycle locks.

e) The protection of children from harm

- Four members of the management committee have current DBS registrations.
- There is already a Child Protection Policy in place for the existing building, which will be amended where necessary for the new building.
- The DPS will be encouraged to attend regular Safeguarding training.
- All hirers of the hall will be required to provide their own CP Policy (if applicable), together with name of their designated CP Officer.
- All CP disclosures will automatically be referred to the County Council's Duty Social Worker.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
