District Councillor Support	'A very strong application and will be of great benefit to the community. It has my full support' - Cllr Judith Rippeth. (Cllr. Bradnam, Cllr Smith)				
Parish Council Support	Supported (According to the Applicant)				
Officer Summary					
<p>Original Summary:</p> <p>This application is for the part funding of a Perrot Rollcart Travelling Sprinkler, to provide irrigation and allow maintenance actions on the football pitches at North Lodge Park, Milton. The maintenance actions include Vertidrainage, Fertilising & Overseeding of the pitches. The applicant feels that with the right irrigation the pitches can return to an improved condition allowing more games of football to be played by the children of the village and avoiding multiple cancellation of fixtures. According to the applicant the pitches were recently inspected by Cambridgeshire FA who rated the pitches as poor due to the hard nature of the ground and the poor/sparse grass covering. £400 has been raised already.</p> <p>Additional Information:</p> <p>The venue is operated by Milton Community Centre (charity number 1071503) who have a 99 year lease on the land from Milton Parish Council, with whom it shares a website. While the Parish Council is not financially supporting this application, Milton Community Centre has offered £400 part funding.</p>

Name of Organisation	Horningsea Residents Association (HRA)				
Organisation Type	Community Group				
CCVS Registered	No				
Parish	Horningsea				
Land Owner	Quy Estates ('gifted' to the village, indefinite lease)				
Project Type	Improvement of community buildings /spaces				
Green option considered?	Yes, park benches are made from recycled materials.				
Documentation Status	Safeguarding	Yes	Accounts	Yes	
	Quote	Yes	Mission Statement	Yes	
District Councillor Support	<p>"I support this application wholeheartedly. The HRA has done well to raise the large sums it has for the playground and a grant from Community Chest will help towards completion of the project." Cllr. Claire Daunton</p> <p>"I support this application." Cllr. Graham Cone (Cllr Williams)</p>				
Parish Council Support	£5,781.40 to the wider renovation project.				
Officer Summary	<p>The applicant states they have raised £34,075.40, (including a grant of £5,781.40 from Horningsea Parish Council) for the renovation of the Goose Green village play area. The applicant states that this area and the play equipment is well used by the community, and is also a meeting area for adults and children alike from the village and surrounding areas.</p> <p>This grant is for two 2 wheel chair accessible, recycled picnic benches, which is outside of the scope of the original project budget and funding. The HRA feels that these park benches will support the community in accessing and enjoying the new play area.</p>

Name of Organisation	1st Hardwick Scout Group			
Organisation Type	Community Group			
CCVS Registered	No			
Parish	Hardwick			
Land Owner	Leasehold: 1st Hardwick Scout Group (99 year lease) Freehold: Hardwick Parish Council			
Project Type	Improvement of community buildings /spaces			
Green option considered?	N/A			
Documentation Status	Safeguarding	Yes	Accounts	Yes
	Quote	Yes	Mission Statement	Yes
District Councillor Support	Supported (According to the Applicant) (Cllr. Cahn, Cllr. Heylings, Cllr. Hunt)			
Parish Council Support	S137 application submitted to Parish Council meeting on 27/10			
Officer Summary				

The applicant is a Scout group that takes children aged 6-18 from Hardwick and other villages in the surrounding area. Their aim is to give them the skills needed for life, by offering a large range of activities and team games, many outside. They also encourage the use of their equipment and buildings by the community.

This quote is for the purchase of the materials to construct a 2m x 38m wire mesh fence enclosing a currently unusable area of ground around the Scout Hut. The fence will be erected by experienced volunteers. Volunteers have already started clearing the area and making it suitable for use. The applicant states that the area will be used by Scouts, Brownies, Guides and other youth organisations in the village.

Hardwick pre-school has sent the following statement "I confirm that Hardwick Pre-School would be very interested in using the outside activity space you are creating for a 'Forest School' afternoon and for 'Forest School' activities. As you know, we were unsuccessful in obtaining an outdoor space in Hardwick village for a 'Forest School' afternoon due to residents objecting and the Parish Council declining our request. The space has to be walking distance from the pre-school and the space you are creating will be ideal for us. We believe a 'Forest School' afternoon would greatly enhance what we are able to offer the pre-school children in our village"

The Scouts have approached the parish council for S137 funding, and will use their own funds for any remainder of the cost.
