

Public Question for Council on 26 November 2020

From Mr Daniel Fulton

Is the Leader of the Council satisfied with the manner in which the Council has addressed the problems in its previous planning delegation scheme?

From Mr Richard Williams

Could the (Statutory) Deputy Leader of the Council please confirm or deny whether it was the Council's intention to issue planning permission for 8 Craft Way in Steeple Morden with no further public consultation after the first decision was quashed?
