

A14 Cambridge to Huntingdon, Cambridgeshire: major improvements

We are currently carrying out finishing works for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 8pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

Full closures

Monday 1 to Wednesday 3 (three nights)

- A1(M) southbound between junction 14 and Alconbury entry slip

Vehicles will be diverted onto the A1307 spur to Spittals and west on the A141 to re-join the A1 at Brampton Hut or for access to the A14

Thursday 4 to Friday 5 (two nights)

- A1307 eastbound spur between A1(M) junction 14 and Rusts Lane, Alconbury exit slip

Vehicles will be diverted to continue on the A1 southbound to Brampton Hut roundabout and east on the A141 to Spittals

Sunday 7 5am to 11.59pm (19 hours)

- Brampton Road B1514 between station car park and Edison Bell Way

Vehicles on the Huntingdon town centre side will be diverted onto the ring road, St Peters Road to A141 west to Brampton / Brampton Racecourse junction and into Brampton via B1514. Vehicles on the Brampton side of the closure will follow this diversion in reverse.
