Dear Jane and Rachel,

I hope all is well!

As previously discussed, we are attaching proposed draft conditions to assist in the drafting of the licence application.

We have been working closely with our legal advisor throughout, Simon Taylor, who was involved in the drafting of the application. Simon has drafted the conditions after reviewing all of the representations that have since come in.

Simon, as a lawyer, is an events and licensing specialist, whose clients include some of the UK's largest promoters, Live Nation, AEG and SJM. He has specialised in licencing law since the 1980's and we are confident that the drafted conditions appropriately cover all of the elements of our licence application and the subsequent representations.

We hope they are of assistance to you.

We will be sending over our responses to the representations by separate email and hope to have these to you very shortly.

Best wishes

Aisha Francis
