Reasons for Recommendations

5. In accordance with the Cambridgeshire and Peterborough Combined Authority Order 2017, each Constituent Council must appoint one of its elected members and a substitute member to the Combined Authority. Each Council made these

appointments at its respective Council meeting in May 2017 for the 2017/18 municipal year and is requested to do so for each subsequent municipal year. The Council is now asked to appoint members and substitute members for the municipal year 2020/21.

Details

Non-Executive Committees

7. The Combined Authorities (Overview and Scrutiny Committees, Access to Information and Audit Committees) Order 2016 requires the Combined Authority to establish an Overview and Scrutiny Committee and an Audit Committee. The Order sets out the rules for membership. The membership of the Overview and Scrutiny and the Audit Committees as a whole should reflect so far as reasonably practicable the balance of political parties of the constituent councils when taken together. The balance is based on membership of political parties, not political groups, on constituent councils across Cambridgeshire and Peterborough.
8. On 6 May 2021, there were local elections for the County Council, Cambridge City Council and Peterborough City Council and several by elections took place. The Combined Authority has reviewed the political balance on constituent councils and has requested constituent councils to make the following appointments to these committees.

Overview and Scrutiny Committee

9. The Combined Authority agreed that to ensure an equitable representation across each constituent authority, two members from each council should be appointed to the Overview and Scrutiny Committee representing a total membership of fourteen members.
10. The implications of applying political proportionality to a fourteen member Overview and Scrutiny Committee are detailed in Appendix 1.
11. The Council is required to nominate two members (one from the Liberal Democrat party and one from the Conservative party) to the Overview and Scrutiny Committee for the municipal year 2021/22 based on the political balance set out in Appendix 1.

Audit and Governance Committee

12. The Combined Authority agreed to establish an Audit and Governance Committee consisting of seven constituent members: one member from each constituent council.
13. The implications of applying political proportionality to a seven member Audit and Governance Committee are detailed in Appendix 2. The Council is required to nominate one member from the Liberal Democrat party to sit on the Audit and Governance Committee for the municipal year 2021/22 based on the political balance set out in Appendix 2.

Substitute members

14. The Combined Authority has agreed that substitute members should be appointed for each position on the Audit and Governance Committee and the Overview and Scrutiny Committee. Any substitute members should come from the same party as the Member they are substituting for to maintain political balance.
15. For the Overview and Scrutiny Committee, if constituent councils have appointed members from the same political parties, those Councils might only wish to appoint one substitute rather than two. The quorum set down in legislation is two thirds of the total membership. Therefore, it is preferable to appoint two members in case both members are absent from a meeting and need to substitute.

Conclusion

16. All appointments and nominations made by constituent councils will be reported to the Combined Authority's annual meeting on 2nd June 2021.
17. The political balance calculations in the Appendices are based on up to date statistics given by constituent councils and take account of the outcome of the local elections that took place on the 6th May 2021. However, there may be last minute changes in the lead up to constituent councils' annual meetings and Combined Authority's annual meeting on 2nd June.

Options

18. If there are consequential changes to the overall political balance, the Combined Authority may need to review the membership and the allocation of seats to political parties on the above committees. The Monitoring Officer will advise

constituent councils if any subsequent changes have been necessary, and whether any changes need to be made to their nominations.

Implications

19. In the writing of this report, taking into account financial, legal, staffing, risk, equality and diversity, climate change, and any other key issues, the following implications have been considered.

Financial

20. In accordance with the Cambridgeshire and Peterborough Combined Authority Order 2017, no remuneration is to be payable by the Combined Authority to its members.

Legal

21. These are set out in the report. The Combined Authorities (Overview and Scrutiny Committees, Access to Information and Audit Committees) Order 2016 requires a combined authority to ensure that the members of the committee taken as a whole reflect so far as reasonably practicable the balance of political parties for the time being prevailing among members of the constituent councils when taken together.
