

A14 Cambridge to Huntingdon, Cambridgeshire: major improvements

We are currently carrying out finishing works for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 8pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

Full closures

Thursday 2 to Friday 3 September (two nights)

- A14 westbound Cambridge Services/Boxworth junction 24a exit slip
Vehicles will exit at junction 24b and use the access road via the first exit at the roundabout for the Services or Boxworth

Saturday 4 and Sunday 5 September 8am to 5pm

- B1514 Brampton Road between Scholars Avenue and Edison Bell Way
Vehicles on the Huntingdon town centre side will be diverted onto the ring road, St Peters Road to A141 west to Brampton / Brampton Racecourse junction and into Brampton via B1514.
Vehicles on the Brampton side of the closure will follow this diversion in reverse.

Please note, the new Views Common road will be open from Friday 3 September and will provide alternative access to Spittals whilst the above closure is in place.
