M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The applicant is an experienced world-leading trainer of Passivhaus and eco-friendly buildings. The applicant proposes to always pre organise events held at the premises. The applicant will liaise with this licencing authority and their agreement to always promote their licence objectives. The premises license holder and DPS will be responsible and accountable for all events taking place at the premises, to ensure compliance, any responsible authority will have access to the premises at all times.

b) The prevention of crime and disorder

The applicant has many CCTV cameras surrounding and within the premises, as well as security gates with authorised entry and AMPR cameras which show the vehicle number plates. We plan to work with all responsible authorities and they will be notified in the case of any incidents of crime and disorder where an intervention is required. All staff will be trained to act and react accordingly to all situations which may or may not occur.

c) Public safety

The premises capacity is 100 maximum in the bar and staff will be health and safety trained. At all times there may be groups of people, the premises license holder will be accountable and oversee the safety of anyone that enters and leaves the premises. Fire exits will be at designated points around the premises and clearly signed to ensure everyone can see. All temporary structures will be suitable for the intended purposes and installed accordingly with agreement with premises license holder. Outside is 36 acres of fields and we have plenty of parking facilities, rest rooms, disabled access, trained first aiders and the whole area is checked annually for fire and safety hazards by an outside qualified company.

d) The prevention of public nuisance

The premises license will be displayed and visible within the premises and clearly visible at all times to customers and authority. The premises licence holder is committed to ongoing engagement with local residents and parrish councils to establish a way forward to ensure no problems arise, discussions have already been held and everyone invited on to the premises for their perusal. No noise will be emitted from the premises due to the sound proof structure, this means that residents within the nearby facility will not be disturbed by sound in the day or night. Various exits and nearby areas are all carefully monitored to ensure no waste material/rubbish is left. There is also a no smoking policy in and immediately around our buildings. We have a zero tolerance towards drugs.

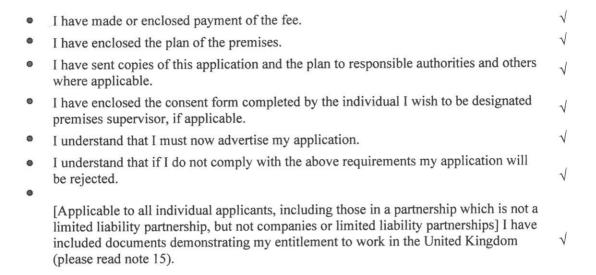

e) The protection of children from harm

Safeguarding of children and vulnerable adults trained, staff will be briefed on safeguarding measures and no alcohol will be served to anyone under the age of 18. Children will be allowed access but only with attendance and occupied by someone over the age of 18 who has responsibility of the respective child at all times.
