Licensing Objectives

If you wish to make a representation, then the issue must relate to one of the following licensing objectives or it will not be valid.

Prevention of Crime and disorder - This relates to any crime, disorder or anti-social behaviour related to the management of the premises. The licence-holder cannot be responsible for the conduct of individuals once they leave the vicinity of the premises.

Public safety - This relates to the safety of the public on the premises, such as fire safety, lighting and fire exits

Prevention of public nuisance - This can relate to hours of operation, noise and vibration, noxious smells, light pollution and litter.

Protection of children from harm - This relates to protecting children from the activities carried out on the premises whilst they are on the premises. The law does provide Specific protection for children, such as making it illegal for children under 18 to buy alcohol.

Please detail the evidence supporting your representation under the relevant headings below. It is important that you detail all matters that you wish to be considered, use additional sheets if necessary.

When considering Representations, the Local Authority may consider documentary or other information produced by the party either before the hearing or, with the consent of all parties, at the hearing.

The Prevention of Crime and Disorder

The Prevention of Public Nuisance

Our objections are summarised below:

Noise: customers and music causing disturbance late into the evening, spoiling a once-peaceful area of the village. Our house, which is situated behind the café, is in a conservation area and we have noticed a significant increase in noise pollution since it opened.

Noxious smells: we are often affected by unpleasant cooking smells emanating from the café. Again, this spoils the area and is unpleasant for us and other local residents.

Litter: we have noticed a significant problem with rats in the area, which was never the case before the café opened. We have had to employ pest control services to help us cope with this distressing problem.

I strongly feel that if permission is granted to extend licensing hours, all of these issues would get significantly worse and have a very negative impact on local residents and the environment.

Public Safety

Protection of Children from Harm

If the Licensing Authority considers that relevant representations are made the Licensing team will consider mediation meeting between the relevant parties to try and reach a settlement. If this informal process is unsuccessful a hearing before the Licensing Sub-Committee will follow unless the interested parties withdraw their representations.
