

## **Addendum to Cabinet Report Item 10 Biodiversity Supplementary Planning Document 7 February 2022**

Further to the publication of Cabinet Report prepared for the 7<sup>th</sup> February 2022 Cabinet meeting, the following amendments are proposed to the content of the report for item 10, which clarify the decision to be made following the consideration of this document by the Climate and Environment Advisory Committee on 12<sup>th</sup> January 2022

### **New Text:**

#### **Paragraph 1**

The Greater Cambridge Biodiversity Supplementary Planning Document (SPD) was first brought before the Climate and Environment Advisory Committee in June 2021 with the recommendation to Cabinet to proceed to public consultation. Cabinet agreed to this and public consultation was undertaken between 23 July and 17 September 2021. The Climate and Environment Advisory Committee considered the responses to the representations received and the proposed changes to the SPD as set out in the Statement of Consultation (Appendix 1 of this report) on 12<sup>th</sup> January 2022 and recommended the document to Cabinet for approval.

#### **Paragraph 3**

Cabinet is recommended to

- a) Consider the main issues raised in the public consultation, and responses to the representations received and the proposed changes to the SPD as set out in the Statement of Consultation (Appendix 1 of this report);
- b) Approve the amended Greater Cambridge Biodiversity SPD (appendix 2 of this report) and to delegate authority to make any necessary editing changes to the SPD prior to publication to the Joint Director of Planning and Economic Development, in consultation with the Lead Member for Planning Policy and Delivery.

#### **Paragraph 12**

Cabinet can choose to:

- Adopt the Biodiversity SPD as drafted and amended
- Not adopt the Biodiversity SPD, but seek further amendments
