Licensing Objectives

If you wish to make a representation, then the issue must relate to one of the following licensing objectives or it will not be valid.

Prevention of Crime and disorder - This relates to any crime, disorder or anti-social behaviour related to the management of the premises. The licence-holder cannot be responsible for the conduct of individuals once they leave the vicinity of the premises.

Public safety - This relates to the safety of the public on the premises, such as fire safety, lighting and fire exits

Public Safety

Too many guests are leaving their cars parked near the Duxford Lodge on the main road, as there is inadequate parking within the Lodge itself, leading to dangerous access down Ickleton Rd, & lots of these cars are left overnight, making it very difficult and unsafe for local residents.

Protection of Children from Harm

If the Licensing Authority considers that relevant representations are made the Licensing team will consider mediation meeting between the relevant parties to try and reach a settlement. If this informal process is unsuccessful a hearing before the Licensing Sub-Committee will follow unless the interested parties withdraw their representations.

The Prevention of Public Nuisance

There will be way too much noise very late on at night, we are already having issues with noise and late-night revellers as it is! If the application is approved, this will only get worse!
