Dear Madam/Sir,

I am writing to you because the Duxford Lodge Hotel is playing their music outside so late that I can't get to sleep. This is not at all acceptable in this neighbourhood.

I am worried that if they are allowed to play music outside until 11 pm that it will be even worse. I do not want this application to be approved.

I have to get up for school and this loud music outside is not helping and has been a problem so far.

I thank you for reading this.
