Licensing Objectives

If you wish to make a representation, then the issue must relate to one of the following licensing objectives or it will not be valid.

Prevention of Crime and disorder - This relates to any crime, disorder or anti-social behaviour related to the management of the premises. The licence-holder cannot be responsible for the conduct of individuals once they leave the vicinity of the premises.

Public safety - This relates to the safety of the public on the premises, such as fire safety, lighting and fire exits

Prevention of public nuisance - This can relate to hours of operation, noise and vibration, noxious smells, light pollution and litter.

Protection of children from harm - This relates to protecting children from the activities carried out on the premises whilst they are on the premises. The law does provide Specific protection for children, such as making it illegal for children under 18 to buy alcohol.

Please detail the evidence supporting your representation under the relevant headings below. It is important that you detail all matters that you wish to be considered, use additional sheets if necessary.

When considering Representations, the Local Authority may consider documentary or other information produced by the party either before the hearing or, with the consent of all parties, at the hearing.

The Prevention of Crime and Disorder

The Prevention of Public Nuisance

We object to all elements of the application on the basis of:

- The potential for noise & disturbance for local residents adjacent to and close by the hotel from music/events (live & recorded) is increased - and this potential is 7 nights a week (rather than occasional events as is now the case).
- The potential for an increase in antisocial behaviour caused by an extension of the licence to sell alcohol is increased - and the potential is 7 nights a week (rather than occasional events as is now the case).
- Provision of extended hours for both live events and alcohol for non residents will encourage patrons from a much wider geography will acceberate the risk of public nuisance.

Duxford is a small and quiet village and well catered by existing pubs (and the Lodge). The Lodge is centrally located in the village and surrounded by houses. It's function is a residential hotel and not a latenight drinking venue/nightclub - there are plenty of options for people who want nightclubs in Cambridge which is 15 minutes away. The character of the village will be changed by granting a licence for live and recorded music and serving late night alcohol.

Public Safety

Protection of Children from Harm

If the Licensing Authority considers that relevant representations are made the Licensing team will consider mediation meeting between the relevant parties to try and reach a settlement. If this informal process is unsuccessful a hearing before the Licensing Sub-Committee will follow unless the interested parties withdraw their representations.
