

## **South Cambridgeshire Community Safety Partnership**

### **Action Plan 2022/23**

The Community Safety Partnership is responsible for improving community safety, including reducing crime, disorder, substance misuse and reoffending in South Cambridgeshire. The partnership includes the local authorities, police, fire service, NHS, probation service, community rehabilitation company and the voluntary sector. We work alongside the Police and Crime Commissioner.

Through our Operational Plan we aim to:

1. improve resilience in communities
2. support evidence-based priority areas

As a partnership all our actions try to add value to what we can do individually as organisations. We do not list everything we do separately.

The Community Safety Partnership Board meets twice a year to provide direction and oversight. The Tasking and Coordination Group meets monthly to make sure that the partnership's plans are delivered. The Problem-Solving Groups meet monthly and feed information into the Tasking and Coordination Group.
