Within South Cambridgeshire District only Parish Councils can apply for Neighbourhood Area designation. These will be the 'qualifying body' in this District – a term used in the regulations for Neighbourhood Planning. As the Local Planning Authority, South Cambridgeshire District Council (the Council) may need to undertake various periods of statutory consultation on your proposals.

**Application for Neighbourhood Area designation**

This is the first formal step in the development of a Neighbourhood Plan – a Neighbourhood Area must be designated before a Neighbourhood Plan can be developed. We recommend discussing your objectives

with Council officers prior to completing this form, to ascertain whether this is the most appropriate vehicle for you and what support is available to develop your Plan. Working with neighbouring parishes with similar issues could reduce the workload and increase the pool of expertise and knowledge needed for the production of a Neighbourhood Plan.

Community engagement and consultation may need to take place before making an application to designate a Neighbourhood Area. Does the local community support the production of a Neighbourhood Plan? What are the issues as they see them? What Neighbourhood Area boundary options have they been given? Have they expressed a preference? Details of this community engagement should be detailed in Question 9.

**Qualifying Body (sometimes referred to as the ‘relevant body’)**

Applications must include a statement confirming that the parish council is the qualifying body.

**Your application is not complete without this information.**

**Areas with no parish council**

Parish meetings can either get involved with the Neighbourhood Planning in an adjoining parish or apply to the Council to be designated as a Neighbourhood Forum, which can prepare its own Plan. If you think this applies to you, please contact the Council for assistance.
