

South Cambridgeshire District Council Equality Impact Assessment (EqIA)

Introduction

The Public Sector Equality Duty, introduced under the Equality Act 2010, requires all public bodies, including local authorities, to have due regard to the need to:

- Eliminate unlawful discrimination, harassment, and victimisation
- Advance equality of opportunity between those who share a protected characteristic and those who do not
- Foster good relations between those who share a relevant protected characteristic and those who do not

Equality Impact Assessments (EqIAs) allow the Council to:

- Show that we are meeting this legal duty by demonstrating due regard for the provisions of the Public Sector Equality Duty
- Identify possible negative impacts on individuals and groups with protected characteristics, plan mitigating action and seek to maximise opportunities to advance equality within our activities.

EqIAs provide a methodical approach to the assessment of impacts across the [nine protected characteristics](#) and should be completed during the development and review of all Council policies, strategies, procedures, projects or functions. Where there is any doubt, the completion of an EqIA is always recommended.

When the form is completed, please send an electronic copy to equality.schemes@scambs.gov.uk. If you require any additional support completing the form, please email the above address.
