	This conclusion is consistent with the <u>examiner's</u>	
	conclusions that the Neighbourhood Plan has had regard	
	to national planning policies and guidance, in that it sets	
	out a clear vision and suite of policies and proposals for	
	the neighbourhood area. The examiner recommended a	
	series of modifications to provide clarity and precision to	
	the policies to ensure that the Neighbourhood Plan fully	
	accords with national policy and guidance. SCDC and	
	Gamlingay Parish Council agreed each of the

	included in the 'Referendum' version of the

	This conclusion is consistent with the <u>examiner's</u>

	No sectors of the community would be discriminated

CONCLUSION: South Cambridgeshire District Council has confirmed that the 'Made' version of the Gamlingay Neighbourhood Plan meets the Basic Conditions.
