Executive Summary

1. To consider new applications received between 12 September 2022 and 7 November to the Community Chest Grant funding scheme.

Key Decision

2. No

Recommendations

3. It is recommended that the Grants Advisory Committee considers all applications for funding that are set out in Appendix A to this report and makes a recommendation to the Lead Cabinet Member for Finance regarding the level of funding (£0 - £2,000) to be awarded for each, or defers a decision, if further information is required, or rejects an application if it doesn't comply with the grant criteria.

Reasons for Recommendations

4. The Grants Advisory Committee's role is to consider and make recommendations to the Lead Cabinet Member responsible for grants, or Cabinet as appropriate, including, but not limited to:
 - a) Reviewing the Council's grants schemes to ensure they reflect Council priorities.
 - b) Designing any new or revised grants schemes, including consideration of criteria and guidance applicable in respect of each scheme.

c) Considering applications made under the Council's grants schemes.

Details

5. The Community Chest is grant funding available to voluntary and community sector groups, charities and public sector bodies wishing to further improve quality of life in South Cambridgeshire. Applicants may apply for up to £2,000 and the community activity or project must deliver one or more of the following:

- Improvements to community buildings and spaces (i.e., village halls / pavilions / play areas etc)
- Repairs to historic buildings / monuments / memorials
- Equipment / capital purchase
- Materials
- Start-up costs (may include training of staff / volunteers, hall hire and other revenue costs)
- Costs involved with the creation of a Community-Led Plan (not the resulting projects)
- Enhance the natural environment / result in a sustainable increase in local biodiversity
- Provide a benefit to those affected by the cost-of-living crisis

In accordance with the criteria, Parish Councils of any size can apply for biodiversity grants through this fund if they are not already in receipt of a grant from the Council's Zero Carbon Communities grant fund for the current financial year.

Parish Councils are also eligible to apply if they are using funds to deliver community engagement for the creation of a Community-led Plan.

Parish Councils are also eligible to apply if they are using funds to provide a benefit to those affected by the cost-of-living crisis.

6. Guidance notes and full eligibility criteria can be found at Appendix B. This includes the newly included cost-of-living crisis criteria

7. The total amount of funding available for Community Chest Grants in 2022/23 is **£48,225.31**.

8.
