Licensing Objectives

Prevention of Crime and disorder - This relates to any crime, disorder or anti-social behaviour related to the management of the premises. The licence-holder cannot be responsible for the conduct of individuals once they leave the vicinity of the premises.

Public safety - This relates to the safety of the public on the premises, such as fire safety, lighting and fire exits.

Prevention of public nuisance - This can relate to noise and vibration, noxious smells, light pollution and litter.

Protection of children from harm - This relates to protecting children from the activities carried out on the premises whilst they are on the premises. The law does provide specific protection for children, such as making it illegal for children under 18 to buy alcohol.

Please detail the evidence supporting your representation under the relevant headings below. It is important that you detail all matters that you wish to be considered.

When considering Representations, the Local Authority may consider documentary or other information produced by the party either before the hearing or, with the consent of all parties, at the hearing.

Your representation, including your name and address will be supplied to the applicant, and will be made public in any report agenda that may be produced. Your signature and email address will not be publicised.

The Prevention of Crime and Disorder

The Prevention of Public Nuisance

We object on the grounds that noise nuisance and light pollution are likely to be a very significant disturbance and nuisance to us as residents of Knapwell.

Our small village is very close to Childerley. A single musical event for a few days at Childerley in the last few years has produced serious noise nuisance in the evening and late into the night. This has been intrusive and made it difficult to sleep from 10.30pm to 3am but only for a limited number of days.

The new license is for events potentially to be carried out on 365 days of the year specifically for concerts, music, dancing and films. With music from Mon to Thu up to 11pm, Fri & Sat up to 3am and Sun up to 12:30am. This would be completely unacceptable and constitute a serious public nuisance for residents of Knapwell.

Even if the operators propose only a few events, issuing this license would allow no control of the number, frequency or duration of these events.
