Community Chest Grant: Funding Applications

Executive Summary

1. To consider new applications received between 7 January 2024 and 7 February for the Community Chest Grant funding scheme.

Recommendations

2. It is recommended that the Grants Advisory Committee considers all applications for funding that are set out in **Appendix A** to this report and makes a recommendation to the Lead Cabinet Member for Resources regarding the level of funding (£0 - £2,000) to be awarded for each, or defers a decision, if further information is required, or rejects an application if it doesn't comply with the grant criteria.

Details

3. The Community Chest is grant funding available to voluntary and community sector groups, charities and public sector bodies wishing to further improve quality of life in South Cambridgeshire. Applicants may apply for up to £2,000 and the community activity or project must deliver one or more of the following:
 - Improvements to community buildings and spaces (i.e., village halls / pavilions / play areas etc)
 - Repairs to historic buildings / monuments / memorials
 - Equipment / capital purchase
 - Materials
 - Start-up costs (may include training of staff / volunteers, hall hire and other revenue costs)
 - Costs involved with the creation of a Community-Led Plan (not the resulting projects)

- Enhance the natural environment / result in a sustainable increase in local biodiversity
- Provide a benefit to those affected by the cost-of-living crisis

In accordance with the criteria, Parish Councils of any size can apply for biodiversity grants through this fund.

Parish Councils are also eligible to apply if they are using funds to deliver community engagement for the creation of a Community-Led Plan.

Parish Councils are also eligible to apply if they are using funds to provide a benefit to those affected by the cost-of-living crisis.

4. Guidance notes and full eligibility criteria can be found at **Appendix B**. This includes three amendments (highlighted in grey) that allow parishes with an electorate of up to 200 (plus 10% if members agree that the applicant shows good cause, see point 11 b) below) to make an application from the non-ring-fenced grant fund.
5. The total amount of funding available for Community Chest Grants in 2023/24 is **£58,000**.
6. In addition, there is **£10,000** ringfenced for 2023/24 for **Biodiversity Grants**, **£45,780** ringfenced (expiring 31 March 2025) for the creation of **Community-Led Plans** and **£18,468.08** ringfenced until end March 2024 (obtained from a successful bid to the Integrated Care System) for **cost-of-living crisis projects**.
7. The Community-Led Plan budget was originally provided until October 2023 for parishes to make applications to support the undertaking of a Community-Led Plan. Officers have now created a toolkit for those wishing to undertake a Community-Led Plan and in order to allow parishes time to make use of this and/or refresh an existing plan, funding is now available until 31 March 2025,
8. A summary of the applications can be found at **Appendix A** (copies of the applications forms are available from the Communities Team upon request).
