R1 Ensure the service has the necessary short, medium and long term capacity by:

• undertaking regular reviews of the skills available and those required;

• reducing reliance on external or short term funding to support key posts;

• exploring alternative approaches to service delivery that build capacity and increase value for money; and

• ensuring there is appropriate capacity at senior management level to undertake strategic, long term planning associated with the growth agenda.

R2 Improve user focus by:

• establishing regular and ongoing engagement with service users to inform service delivery;

• ensure service standards reflect the needs of users, that they include all key elements of the service; and are monitored to ensure delivery;

• make available written advice and guidance specifically on householder and other minor forms of development;

• ensure service and information is available to those who do not have access to IT; and

• review committee arrangements to increase opportunity to for public engagement in decision-making.

R3 Ensure resources are directed in accordance with priorities and areas of greatest need by:

• identifying service activities, outcomes delivered and resources used against local and national priorities; and

• producing clear, outcome focussed targets linked to local and national priorities.

R4 That a systematic approach be taken to improving value for money by: • managers and councillors using cost information alongside performance information to challenge and drive up performance:

• using the comparative data to identify areas in which performance is low compared to that achieved in other councils; and

• using benchmarking with other high performing councils and councils that have significantly improved their performance, by April 2007.

R5 Improve effectiveness and capacity of committees and councillors by:

• further regular reviewing the delegation agreement;

• providing ongoing, regular and mandatory training for all councillors involved in making decisions on planning matters; and

• clarification of officer and councillor roles to ensure appropriate separation of strategic and operational functions.
