2. MINUTES OF PREVIOUS MEETING

The Committee authorised the Chairman to sign, as a correct record, the Minutes of the meeting held on 7 March 2007.

3. S/0048/07/F – ICKLETON (LAND R/O 9/17 GRANGE ROAD)

The Committee **REFUSED** the application, contrary to the recommendation in the report from the Corporate Manager (Planning and Sustainable Communities). Members agreed the reason for refusal as being that the proposal represented backland development out of keeping with the linear form of development in the village, contrary to Policy HG11 criterion 4 of the South Cambridgeshire Local Plan 2004.

4. S/0259/07/F – HINXTON (LORDSHIP FARM, NORTH END, ROAD)

The Committee **APPROVED** the application for the reasons set out in the report from the Corporate Manager (Planning and Sustainable Communities), subject to the Conditions referred to therein.

Councillor T Bygott declared a personal and prejudicial interest as an employee of Genome Research Ltd, a company owned by the applicant, withdrew from the Chamber, took no part in the debate and did not vote.

5. S/0067/07/F – STAPLEFORD (LAND ADJ 17 GOG MAGOG WAY)

At its meeting on 7 March 2007 (Minute no. 27 refers), the Committee had been Minded to Refuse this application, subject to officers, Stapleford Parish Council and the applicant meeting to discuss the possibility of submitting an amended planning application. Members had agreed that, in the absence of an amended application, the reason for refusal would be overdevelopment, which was out of character of the area, and overbearing impact on the neighbour's property.

In arriving at this decision, the Committee had not had the benefit of any legal advice. The Council's Legal Service confirmed that the Committee could, and should, reconsider the application afresh because, although it had made a decision last month, it had merely been provisional, and no formal Decision Notice had yet been issued.

In September 2006, a Planning Inspector had determined that the proposed dwelling would not have an unacceptable impact on the living conditions of occupiers of adjoining properties, or on the residential amenity of the occupiers of the dwelling at 19, Dukes Meadow..

Having considered carefully the changes made to the proposed dwelling following the appeal decision and the Inspector's report in September 2006, the Committee **APPROVED** the application for the reasons set out in the report from the Corporate Manager (Planning and Sustainable Communities) subject to the Conditions referred to therein.

Councillor CR Nightingale attended the meeting of Stapleford Parish Council at which this application had been discussed, but took no part in the debate there and was now considering the matter afresh.

6. S/2460/06/F – LINTON (4 BARTLOW ROAD)

The Committee **APPROVED** the application, as amended by plan 2511/02B dated 9 March 2007, for the reasons set out in the report from the Corporate Manager (Planning and Sustainable Communities) and subject to the Conditions referred to therein.

Councillor Mrs P Bear declared a personal interest as a member of the Emsons Close Residents Association.

7. S/0107/07/F – COTON (BLUE GATES, MADINGLEY ROAD)

The Committee **APPROVED** the application for the reasons set out in the report from the Corporate Manager (Planning and Sustainable Communities), subject to the Conditions referred to therein and an additional Condition aimed at reducing the impact of light pollution from both inside and outside the building.

8. S/1260/05/F – GAMLINGAY (LAND AT LITTLE HEATH)

The Committee **APPROVED** the application, contrary to the recommendation in the report from the Corporate Manager (Planning and Sustainable Communities), for a temporary period of five years, subject to a personal Condition. In reaching this decision, Members took into account the special circumstances of the applicant.

This one year period would take effect from the date of the premises first opening for trade as a Takeaway so that officers could monitor the impact of the takeaway use on residential amenity, parking facilities and highway safety, given the premises' location on a road junction,

Councillor Mrs DP Roberts declared a personal interest as a member of Fowlmere Parish Council, and was considering the matter afresh.

Councillor Mrs DSK Spink did not vote.

12. S/0273/07/O – IMPINGTON (LAND ADJ ST GEORGES COURT, OFF MILTON ROAD)

Prior to considering this item, Members attended a site visit on 2 April 2007. The Committee gave officers **DELEGATED POWERS TO APPROVE OR REFUSE** the application, subject to the application being referred to the Secretary of state as a departure from the Development Plan and not called in for determination, to phasing considerations in association with Application S/2064/06/F, to the inclusion of noise mitigation measures, protection of the Safer Routes to School footpath and measures to improve visibility. Approval would be for the reasons set out in the report from the Corporate Manager (Planning and Sustainable Communities) and subject to safeguarding Conditions.
