

SCHEDULE OF ADOPTED POLICIES (Position at February 2008)

Local Plan (adopted 2004)
Core Strategy DPD (adopted January 2007)
Development Control Policies DPD (adopted July 2007)
Northstowe Area Action Plan (adopted July 2007)
Cambridge Southern Fringe Area Action Plan (adopted February 2008)
Cambridge East Area Action Plan (adopted February 2008)

Until recently, the whole of the adopted Local Plan 2004 formed part of the Development Plan for South Cambridgeshire, setting out the planning policy framework for development within the district. With the introduction of the new planning system in 2004 the Council has to produce a suite of Development Plan Documents, known collectively as a Local Development Framework (LDF), which will progressively replace the Local Plan 2004.

All planning policies from the Local Plan remained in force until September 2007 to allow time for the new LDFs to be put in place. After that time unless a policy has been formally 'saved' by a request being made to Government Offices it will no longer remain in force.

South Cambridgeshire is well advanced in producing an LDF for the district. As each of the DPDs that form part of the LDF are adopted the policies within Local Plan 2004, including those that have been saved beyond 27th September 2007, will be superseded.

Development Plan Documents

The following Development Plan Documents (DPD) have been adopted by the Council:

- Core Strategy DPD (adopted January 2007)
- Development Control Policies DPD (adopted July 2007) *(See Proposals Map)

When adopted the following Development Plan Documents will supersede the Local Plan policies that have been saved beyond September 2007:

- Site Specific Policies DPD (Submission Draft January 2006)
- Gypsy and Travellers DPD (Issues and Options stage October 2006)

Until then the 'saved' Local Plan 2004 policies listed in Appendix 1 will remain in force.

Area Action Plans

There are also a number of Area Action Plans (AAP) for major developments which include policies specific to the development of these parts of the district. When

adopted, these policies will supersede any district-wide policies applying within the development area.

These AAPs and their current status are as follows:

- Northstowe AAP (adopted July 2007)
- Cambridge Southern Fringe AAP (adopted February 2008)
- Cambridge East AAP (adopted February 2008)
- North-West Cambridge AAP (Preferred options stage October 2007)

Proposals Map

The Adopted Proposals Map shows the boundaries of policies contained in the Council's adopted plans that have spatial implications, i.e. allocations of land for development and policy areas to which a specific policy applies. The adopted Proposals Map comprises a district-wide Proposals Map together with the Inset Maps for each of the major development sites and the villages.

The key to the Proposals Map indicates which plan should be viewed to see the adopted policy / policies that apply to the allocation or policy area.

An interactive version of the Adopted Proposals Map 2008 can be viewed on the Council's website: www.scambs.gov.uk/ldf, which provides links to view the relevant adopted policy.

* Note - There are some policies in the Development Control Policies with specific boundaries which are shown on the Proposals Map for which the principle of the policy has been confirmed when the Development Control Policies DPD was adopted in July 2007 but for which the actual boundaries defining the areas will not be finally determined or replaced where they are shown in the Local Plan 2004 until the Site Specific Policies DPD is adopted in 2008. These policies are as follows:

- Development Frameworks (Policy DP/7)
- Development in the Green Belt (Policy GB/1)
- Protected Village Amenity Areas (Policy CH/6)
- Important Countryside Frontages (Policy CH/7)

APPENDIX 1

When the new planning regulations were introduced in 2004 existing planning policies were to remain in force until September 2007 to allow time for the new LDFs to be put in place. After this time unless a policy has been formally 'saved' by a request being made to Government Offices it will no longer remain in force.

There are a number of policies from the Local Plan 2004 that South Cambridgeshire have saved beyond 27 September 2007.

The policies in Table 1 will be superseded when the Site Specific Policies DPD and the Gypsy and Travellers DPD are adopted. The table indicates these policies and the Local Plan policy they will supersede.

Table 1

Development Plan Document	Policy	Policy Name	Local Plan Policy	Local Plan Policy Name
Site Specific Policies	SP/1	Cambridge Northern Fringe West	HG2	Cambridge Northern Fringe
Site Specific Policies	SP/1	Cambridge Northern Fringe West	CNF1	CNF West (Arbury Camp)

Site Specific Policies	SP/14f	Allocation for open space	OVER 3	Allocation for extension school playing field
Site Specific Policies	SP/16a	New road infrastructure	PAPWORTH EVERARD 1	Safeguarded land for bypass
Site Specific Policies	SP/16b	New Road Infrastructure	LONGSTANTON 4	Prior completion of bypass
Site Specific Policies	SP/17	Rapid Transit	TP3	The St Ives Transport Corridor
Site Specific Policies	SP/19	Rail Freight	TP4	Railways
Site Specific Policies	SP/20	Cambridge Airport Safety	TP7	Cambridge Airport:

Development Plan Document	Policy	Policy Name	Local Plan Policy	Local Plan Policy Name
		Zone		Cambridge Airport Public Safety Zone
Gypsy and Travellers			CNF 6	Expansion of existing sites

** These policies were superseded in part when the Core Strategy DPD was adopted in January 2007, with the adoption of a new settlement hierarchy. However the allocations will not be superseded until the Site Specific Policies DPD is adopted.

All other policies from the Local Plan 2004 are no longer in force because:

- They have been implemented as development proposals, or
- National planning policy provides sufficient policy guidance; or
- They cease to have effect as a result of a change of policy approach.
