

Adjoining Authority fees for letters and other services

Fees for Huntingdon and Cambridge City.

The response from Huntingdon District Council was as follows

On the charging for letters etc, we apply the following:

1. Where building regulation work was approved from 1987 onwards and the reference number is known, £10.00 + vat each for a copy of the approval and completion certificates.
2. Where building regulation work was approved from 1987 onwards and the reference number is not known, £20.00 + vat for the first copy of the approval or completion certificate and £10.00 per copy thereafter.
3. For a 'letter of comfort' for building work carried out without the benefit of building regulation approval from 1987 onwards, £30.00 + vat.

Hope this is of some help.

Graham
