Dominic Plunkett (objector) addressed the meeting.

The Committee **REFUSED** the application, contrary to the recommendation in the report from the Corporate Manager (Planning and Sustainable Communities). Members agreed the reason as being the adverse impact on an area of established trees seen as important to the character of the area. Members instructed the Corporate Manager (Planning and Sustainable Communities) to organise a tour of Cambourne so that they could find out how well the community, and such detail as landscaping, was developing.

33. S/0935/08/O – MILTON (THE FORMER EDF DEPOT AND TRAINING CENTRE, ELY ROAD, MILTON)

The Committee noted that this application had been **WITHDRAWN** from the agenda. The site visit scheduled for 6 August 2008 was postponed.

34. S/0805/08/F – WIMPOLE (72A THE COTTAGES, WIMPOLE WOODYARD, CAMBRIDGE ROAD)

Prior to considering this application, the Committee attended a site visit on 6 August 2008. The Committee gave officers **DELEGATED POWERS TO APPROVE** the application, subject to the Housing and Development Manager supporting the scheme, the resolution of issues relating to access, parking, drainage, ecology and landscaping, safeguarding Conditions, and to the developer agreeing to provide more garden land for each dwelling. If agreement could not be reached on the provision of additional garden land, the application would be referred back to the Planning Committee for determination.

35. S/0836/08/F AND S/0690/08/LB – CONINGTON (MARSHALLS FARM, ELSWORTH ROAD)

The Committee gave officers **DELEGATED POWERS TO APPROVE** the application, subject to further consideration of the comments from the Conservation Manager and the Environment Agency and to the Conditions set out in the report from the Corporate Manager (Planning and Sustainable Communities) (including those requested by the Conservation Manager, Ecology Officer, Local Highways Authority, Environment Agency and the Environmental Protection Team Leader as appropriate for the planning and listed building applications.

36. S/0654/08/O – WATERBEACH (LAND R/O 10A ROSEMARY ROAD & ST ANDREWS HILL)

Councillors JA Hockney and P Johnson (local members) addressed the meeting.

Prior to considering this application, the Committee attended a site visit on 6 August 2008. The Committee **REFUSED** the application contrary to the recommendation in the report from the Corporate Manager (Planning and Sustainable Communities). Members agreed the reasons for refusal as being the inappropriate nature of the development due to its adverse impact on the Listed Building, adjacent Conservation Area and amenities of neighbours.

37. S/0883/08/F – BASSINGBOURN (THE CEDARS AND THE ORCHARD, 26 SOUTH END)

Lynn Webb (objector), David Ames (applicant's agent), and Councillor NN Cathcart (a local member) addressed the meeting.

Prior to considering this application, the Committee attended a site visit on 6 August 2008. The Committee **REFUSED** the application on the grounds that the scheme did not fully comply with the criteria set out in Policy HG/5 of the South Cambridgeshire Local Development Framework 2007, neither preserved nor enhanced the character of the Conservation Area, would result in the loss of, or prejudice retention of, important trees within the site, would have an unreasonable adverse impact on neighbour amenity and, in addition, for any material reasons identified by the Local Highways Authority, Anglian Water, Building Control and the Ecology Officer.

38. S/0686/08/F – COTTENHAM (LAND NORTH OF ORCHARD CLOSE)

Paul Norris (objector), Rick Bristow (Chairman of Cottenham Parish Council, and Councillors Nigel Bolitho and Simon Edwards (local members) addressed the meeting.

Prior to considering this application, the Committee attended a site visit on 6 August 2008. The Committee **REFUSED** the application contrary to recommendation in the report from the Corporate Manager (Planning and Sustainable Communities). Members agreed the reasons for refusal as being the adverse impact on existing properties and residents, lack of amenity / play areas, and the proposed Plot 2 being out of character with the area. If supported by independent consultation, additional reasons for refusal would be drainage concerns and highway safety (including the loss of car parking). The Cambridgeshire Fire and Rescue Service would be asked for their views about access for emergency vehicles and their response might form the basis of another reason for refusal.

39. APPEALS AGAINST PLANNING DECISIONS AND ENFORCEMENT ACTION

The Committee noted that a report on Appeals against planning decisions and enforcement action had been published on the Council's website.
