

SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL

REPORT TO:	Planning Portfolio Holder and New Communities Portfolio Holder	26 January 2009
AUTHOR/S:	Executive Director / Corporate Manager (Planning and Sustainable Communities)	

LOCAL DEVELOPMENT FRAMEWORK - CONSULTATION ON SUPPLEMENTARY PLANNING DOCUMENTS

Purpose

1. The purpose of this report is to seek agreement for a number of Supplementary Planning Documents (SPD) to be published for consultation. The SPDs to be consulted on are as follows:
 - Biodiversity
 - Listed Buildings: works to or affecting the setting of

Background

2. The purpose of Supplementary Planning Documents is to expand on policies set out in Development Plan Documents and to provide additional detail. The Council has adopted a number of Development Plan Documents (DPD) that form part of the Local Development Framework. The two SPDs that have been currently prepared relate to policies contained within the adopted Development Control Policies DPD, and in the adopted Area Action Plans for Northstowe; Cambridge East; and Cambridge Southern Fringe.

Process for preparing the Supplementary Planning Documents

3. The draft SPDs have been prepared in consultation with the relevant specialist officers within the Council. Similar to the DPDs, Sustainability Appraisals have to be carried out on the SPDs to appraise the social, environmental and economic effects of the proposals contained within each SPD. These will be consulted on alongside the draft SPDs. Consultation has been carried out with the three statutory bodies on the Sustainability Appraisal Scoping Report Addendum for the Listed Buildings SPD (this was a joint addendum with the Conservation Areas SPD).
4. As part of the process of preparing an SPD there must be an opportunity for representations to be made on their content. If agreed by the Portfolio Holder, the two SPDs and their accompanying documents will be subject to six weeks of public consultation, which is anticipated to start in February.
5. The Council will consider the representations on the draft SPDs and make any relevant changes to the SPDs as a result of comments received. A report will then be made to Cabinet on the representations submitted, and Cabinet will make the decision whether to adopt the documents.

The two SPDs being considered

- **Biodiversity SPD**

6. The SPD expands on district-wide policies in the Development Control Policies Development Plan Document (DPD), adopted in July 2007, and policies in individual Area Action Plans for major developments that may vary from the district-wide policies. Policies seek to ensure that biodiversity is adequately protected and enhanced throughout the development process, and this SPD provides additional details on how these policies will be implemented.

- **Listed Buildings: works to or affecting the setting of SPD**

7. Within South Cambridgeshire there are approximately 3,000 Listed Buildings and structures. The aim of this Supplementary Planning Document is to provide additional advice and guidance on developments affecting these Listed Buildings and to expand on the broad policy set out in the Development Control Policies DPD Policies CH/3 and CH/4 and PPG15.
