ROAD PROPOSALS BY PRIVATE BODIES			T
 4. What proposals by others, still capable of being implemented, have the Council approved for any of the following, the limits of construction of which are within 200 metres of the property? (a) The construction of a new road; (b) The alteration or improvement of an existing road, involving the construction, whether or not within existing highway limits, of a subway, underpass, flyover, footbridge, elevated road, dual carriageway, the construction of a roundabout (other than a mini roundabout) or the widening of an existing road by the construction of one or more additional traffic lanes. This enquiry refers to proposals by bodies or companies (such as private developers) other than the Council (and where appropriate the County Council) or the Secretary of State. A mini roundabout is a roundabout having a one-way circulatory carriageway around a flush or slightly raised circular making less than 4 metres in diameter and with or without flared approaches.
