

27 January 2009

Dear Margaret Goding

I write in response to your letter of 23 January 2009 concerning a dispensation for Barrington Parish Council's newly co-opted councillor Mr David Kenneth Whybrow.

I am the Democratic Services Officer with particular responsibility for Standards Committee and am currently covering Mrs Adams' post, as she is on maternity leave. I am sure your next contact with SCDC will be with Holly, as she returns next week.

I enclose a blank form for completion by Mr Whybrow and ask that it is returned for consideration by the Standards Committee at its meeting on the 11 March 2009. Could I ask that until such time as you are notified of the grant of such a dispensation by Standards Committee, Mr Whybrow is advised of his interest in respect of the Green Charity and acts accordingly when this Charity and its matters appear for consideration before the council.

Yours sincerely

Joe Brown

Democratic Services Officer
