Progress Report for Period 1 July – 30 September 2009

- 2. The table below details the progress made against actions identified in the Cabinet Report of 16 April 2009 and following the up-date report to 30 June 2009 to Cabinet in early July 2009. Key activities since this time are:
 - The volume of invoices paid within 10 days improved to 63.11% in July, with a decrease in the summer period (August) of 39.75%.
 - The Business Support Fund with a total value of £50,000 aimed at supporting companies most at risk from the slowing economy has been launched from September 2009. With vouchers per qualifying company of £1,000, it is delivered in partnership with Business Link across the district. Monthly reports to the Council will inform of both uptake and the type of specialist support accessed, followed by following up intelligence with businesses in term of effectiveness.
 - As reported verbally at the previous Cabinet meeting, the business seminar 'Ride the Recession' arranged for 1 July took place. Run in association with Business Link, the event offered the opportunity to hear from Terry Holloway of Marshall Group, Matthew Peek of Barclays Corporate, Anne Miller of The Creativity Group and consultants Bev and Jasper Gilder, all offering advice on how to survive and thrive in all economic climates. The event also provided networking and advice from business support agencies. Feedback was very positive. For example, Delegate Julia Brooks from contacts4business said, "I enjoyed the event for its presentations, as well as the exhibitions and networking. I found the experience motivating and informative with practical application for my business."

 The measure to do with the Hardship Rate Relief Scheme have resulted in three requests for assistance. Two applications have been returned so far, of which one currently meets the criteria and is expected to be awarded at a cost of £1,750, to the Council (£7,000 total rate relief requested) A further query for a third application is expected by the Revenues department. If granted the cost to the Council is anticipated to be £1,250 (£5,000). Further applications are anticipated.
