At 51 Old North Road for Mr H Khan**

A. Update to the report

Agenda item 15; paragraph number 14 – Representations

One additional representation from a neighbour to the site has been received.

The owner of 53 Old North Road notes that she can already smell the restaurant and has raised concern regarding the potential for the new extraction system and flue to worsen the existing situation. Should the situation be worsened, she considers that this would represent a nuisance. She does not object to the proposal but requests that her concerns are noted.
