COMPARISON OF ORIGINAL AND REVISED ESTIMATE	<u>2,093,670</u>	<u>1,886,670</u>
after adjustment for funding and other factors note 5	reduction of :	207,000

Notes:

- The 2004/05 revised estimate in respect of the new Cambourne offices includes the authorised rollover from 2003/04.
- The 2004/05 revised estimate in respect of the network costs of the Cambourne and Cambridge City office include the authorised rollover from 2003/04.
- In 2004/05, £62K was rolled over from 2003/04. A rephasing of the programme has seen £57K of forecast expenditure being rolled forward into 2005/06. Of the total ICT Capital Expenditure estimate in 2004/05 and 2005/06, £669K will be funded from external sources.
- This part of the CASCADE expenditure has been shown separately, because it is being treated as a capital cost which, unlike the other ICT capital, will not be a fixed asset of this Council. Consequently, this expenditure will not attract annual capital charges.
- The adjusted revised estimate reduction of £207,000 arises from the additional grant funding of £150K and rephasing of £57K ICT capital expenditure.
